

NCI Cancer Bulletin Survey

Survey Announcement Message

Dear Reader,

The National Cancer Institute (NCI) has been publishing the *NCI Cancer Bulletin* since 2004. We see you, the subscriber, as an important source of information on how to improve the newsletter and help ensure that the needs of readers are met. We would appreciate your participation in a brief survey to gather feedback on the *NCI Cancer Bulletin*. Your participation is extremely valuable.

To complete the survey, please go to <http://www.cancer.gov/ncicancerbulletinsurvey> either by clicking on the URL address or copying and pasting it into your browser. Please complete the survey no later than Friday, June 18, 2010.

It will take approximately 10 minutes to complete and your responses will be anonymous.

Thank you in advance for your comments. We welcome your input and look forward to sharing the results of the survey in an upcoming issue of the *NCI Cancer Bulletin*.

Sincerely,

The *NCI Cancer Bulletin* Staff

Survey Instrument

OMB # 0925-0046

Exp. Date: 2/28/2013

Thank you for agreeing to complete this brief survey to gather feedback on the *NCI Cancer Bulletin*. Your participation is extremely valuable and will help us serve you better.

This survey should take approximately 10 minutes to complete. NCI encourages you to complete the entire survey at one sitting. Please note that once you begin the survey, you will not be able to leave it and then resume and complete it later from the point at which you stopped. If you have any general or technical questions about the survey, please contact Tom Lehman from the Academy for Educational Development at (202) 884-8863 or email tlehman@aed.org.

If you have any other feedback on the *NCI Cancer Bulletin*, please send it to the editorial staff at ncicancerbulletin@mail.nih.gov.

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0046-01). Do not return the completed form to this address.

Your participation in this survey is completely voluntary. Please be assured that your responses will be kept confidential and will not be disclosed to anyone outside NCI or its contractor, the Academy for Educational Development, except as otherwise required by law. Data will be provided to NCI in aggregate form only, with any potentially identifying information removed. You may skip any questions that you prefer not to answer.
