SUMMARY EVALUATION OF PATIENT'S CARE *(Please explain all "no" answers, except where indicated.)*

D2. Were HHA assessments of the patient's medical, nursing, and rehabilitative needs appropriate at the start of care and as the care progressed?
 YES NO

D3. Were the types and frequencies of services prescribed in the initial plan of care appropriate, given the patient's anticipated outcomes and condition(s) at admission? *(Note whether therapist and other HHA personnel participated in care plan, if appropriate.)*
 YES NO

D4. Did you see evidence that the patient's plan of care was changed appropriately during the course of care to reflect any changes in the medical, nursing and rehabilitative needs of the patients?
 YES NO No Change Required

D5. Did you see evidence of coordination of services between and among the various disciplines treating this patient?
 YES NO Not applicable; only one discipline

D6. Did orders for therapy services include the specific procedures and modalities to be used, as well as the amount, frequency, and duration of services?
 YES NO Not applicable; no therapy services ordered

D7. Did your home visit lead you to conclude that the patient's progress *(or lack of progress)*, was appropriate given the patient's admitting and current medical and functional status?
 YES NO

D8. Does the evidence from your review of the record, your conversation with HHA nurse, and your home visit lead you to conclude that the HHA intervened appropriately, and made a difference in the patient's current medical and functional capacity?
 YES NO

D9. In your opinion, could the HHA have done more to assist this patient in meeting his/her medical, nursing, and rehabilitative needs within the range of usual HHA practice? If yes, record specific examples.
 YES NO

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0355. The time required to complete this information collection is estimated to average 15 minutes per response, including the time to review instructions, searching existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, Attn: PRA Reports Clearance Officer, 7500 Security Boulevard, Baltimore, Maryland 21244-1850.
