Purpose of form. Individuals can use Form 4506T-EZ to request a tax return transcript that includes most lines of the original tax return. The tax return transcript will not show payments, penalty assessments, or adjustments made to the originally filed return. Form 4506T-EZ cannot be used by taxpayers who file Form 1040 based on a fiscal tax year (that is, a tax year beginning in one calendar year and ending in the following year). Taxpayers using a fiscal tax year must file Form 4506-T to request a return transcript. You can also designate a third party (such as a mortgage company) to receive a transcript on line 5.

- Use Form 4506-T to request the following.
- A transcript of a business return (including estate and trust returns).
 - An account transcript (contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed).
 - A record of Account, which is a combination of line item information and later adjustments to the account.
 - A verification of nonfiling, which is proof from the IRS that you did not file a return for the year.
 - A Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript.

Form 4506-T can also be used for requesting tax return transcripts.

Automated transcript request. You can call 1-800-829-1040 to order a tax return transcript through the automated self-help system. You cannot have a transcript sent to a third party through the automated system.
