Paperwork Reduction Act Statement

The Transportation Security Administration (TSA) requires physical/medical examinations prior to an individual's appointment to a TSA Security Officer (Screener) position. TSA uses the following medical documents to obtain information relevant to an applicant's health status for purposes of making an employment decision. This is a mandatory collection of information if you wish to be considered for a TSA Security Officer (Screener) position. It is estimated that the total average burden per response associated with this collection is approximately 20 minutes. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The control number assigned to this collection is OMB 1652-0032, which expires 09/08.
