

TITLE 44 - EMERGENCY MANAGEMENT AND ASSISTANCE

CHAPTER I - FEDERAL EMERGENCY MANAGEMENT AGENCY,  
DEPARTMENT OF HOMELAND SECURITY

SUBCHAPTER D - DISASTER ASSISTANCE

PART 206 - FEDERAL DISASTER ASSISTANCE FOR DISASTERS DECLARED  
ON OR AFTER NOVEMBER 23, 1988

subpart k - COMMUNITY DISASTER LOANS

206.366 - Loan cancellation.

(a) Policies. (1) FEMA shall cancel repayment of all or part of a Community Disaster Loan to the extent that the Associate Director determines that revenues of the local government during the full three fiscal year period following the disaster are insufficient, as a result of the disaster, to meet the operating budget for the local government, including additional unreimbursed disaster-related expenses for a municipal operating character. For loan cancellation purposes, FEMA interprets that term operating budget to mean actual revenues and expenditures of the local government as published in the official financial statements of the local government.

(2) If the tax and other revenues rates or the tax assessment valuation of property which was not damaged or destroyed by the disaster are reduced during the 3 fiscal years subsequent to the major disaster, the tax and other revenue rates and tax assessment valuation factors applicable to such property in effect at the time of the major disaster shall be used without reduction for purposes of computing revenues received. This may result in decreasing the potential for loan cancellations.

(3) If the local government's fiscal year is changed during the full 3 year period following the disaster the actual period will be modified so that the required financial data submitted covers an inclusive 36-month period.

(4) If the local government transfers funds from its operating funds accounts to its capital funds account, utilizes operating funds for other than routine maintenance purposes, or significantly increases expenditures which are not disaster related, except increases due to inflation, the annual operating budget or operating statement expenditures will be reduced accordingly for purposes of evaluating any request for loan cancellation.

(5) It is not the purpose of this loan program to underwrite predisaster budget or actual deficits of the local government. Consequently, such deficits carried forward will reduce any amounts otherwise eligible for loan cancellation.

(b) Disaster-related expenses of a municipal operation character. (1) For purpose of this loan, unreimbursed expenses of a municipal operating character are those incurred for general government purposes, such as police and fire protection, trash collection, collection of revenues, maintenance of public facilities, flood and other hazard insurance, and other expenses normally budgeted for the general fund, as defined by the Municipal Finance Officers Association.

(2) Disaster-related expenses do not include expenditures associated with debt service, any major repairs, rebuilding, replacement or reconstruction of public facilities or other capital projects, intragovernmental services, special assessments, and trust and agency fund operations. Disaster expenses which are eligible for reimbursement under project applications or other Federal programs are not eligible for loan cancellation.

(3) Each applicant shall maintain records including documentation necessary to identify expenditures for unreimbursed disaster-related expenses. Examples of such expenses include but are not limited to: (i) Interest paid on money borrowed to pay amounts FEMA does not advance toward completion of approved Project Applications.

(ii) Unreimbursed costs to local governments for providing usable sites with utilities for mobile homes used to meet disaster temporary housing requirements.

(iii) Unreimbursed costs required for police and fire protection and other community services for mobile home parks established as the result of or for use following a disaster.

(iv) The cost to the applicant of flood insurance required under Public Law 93234, as amended, and other hazard insurance required under section 311, Public Law 93288, as amended, as a condition of Federal disaster assistance for the disaster under which the loan is authorized.

(4) The following expenses are not considered to be disaster-related for Community Disaster Loan purposes: (i) The local government's share for assistance provided under the Act including flexible funding under section 406(c)(1) of the Act.

(ii) Improvements related to the repair or restoration of disaster public facilities approved on Project Applications.

(iii) Otherwise eligible costs for which no Federal reimbursement is requested as a part of the applicant's disaster response commitment, or cost sharing as specified in the FEMA-State Agreement for the disaster.

(iv) Expenses incurred by the local government which are reimbursed on the applicant's project application.

(c) Cancellation application. A local government which has drawn loan funds from the Treasury may request cancellation of the principal and related interest by submitting an Application for Loan Cancellation through the Governor's Authorized Representative to

the Regional Director prior to the expiration date of the loan.

(1) Financial information submitted with the application shall include the following: (i) Annual Operating Budgets for the fiscal year of the disaster and the 3 subsequent fiscal years; (ii) Annual Financial Reports (Revenue and Expense and Balance Sheet) for each of the above fiscal years. Such financial records must include copies of the local government's annual financial reports, including operating statements balance sheets and related consolidated and individual presentations for each fund account. In addition, the local government must include an explanatory statement when figures in the Application for Loan Cancellation form differ from those in the supporting financial reports.

(iii) The following additional information concerning annual real estate property taxes pertaining to the community for each of the above fiscal years: (A) The market value of the tax base (dollars); (B) The assessment ratio (percent); (C) The assessed valuation (dollars); (D) The tax levy rate (mils); (E) Taxes levied and collected (dollars).

(iv) Audit reports for each of the above fiscal years certifying to the validity of the Operating Statements. The financial statements of the local government shall be examined in accordance with generally accepted auditing standards by independent certified public accountants. The report should not include recommendations concerning loan cancellation or repayment.

(v) Other financial information specified in the Application for Loan Cancellation.

(2) Narrative justification. The application may include a narrative presentation to amplify the financial material accompanying the application and to present any extenuating circumstances which the local government wants the Associate Director to consider in rendering a decision on the cancellation request.

(d) Determination. (1) If, based on a review of the Application for Loan Cancellation and FEMA audit, when determined necessary, the Associate Director determines that all or part of the Community Disaster Loan funds should be canceled, the principal amount which is canceled will become a grant, and the related interest will be forgiven. The Associate Director's determination concerning loan cancellation will specify that any uncanceled principal and related interest must be repaid immediately and that, if immediate repayment will constitute a financial hardship, the local government must submit for FEMA review and approval, a repayment schedule for settling the indebtedness on timely basis. Such repayments must be made to the Treasurer of the United States and be sent to FEMA, Attention: Office of the Comptroller.

(2) A loan or cancellation of a loan does not reduce or affect other disaster-related grants or other disaster assistance. However, no cancellation may be made that would result in a duplication of benefits to the applicant.

(3) The uncanceled portion of the loan must be repaid in accordance with 206.367.

(4) Appeals. If an Application for Loan Cancellation is disapproved, in whole or in part, by the Associate Director or designee, the local government may submit any additional information in support of the application within 60 days of the date of disapproval. The decision by the Associate Director or designee on the submission is final. (Approved by the Office of Management and Budget under Control Number 3067 0026)
