

Retail Partner Location Form

Please note: We are glad to help the public locate our retail partners that make WaterSense labeled products available. However, we must ensure that the information contained on our website is accurate. To be listed on our partner locator tool, locations must:

- have submitted last year's annual data report
- sell WaterSense labeled products (either in store or easily available via special-order) ***at that location***
- be open to the general public
- accurately communicates which WaterSense labeled products are sold at that location
- if products can also be purchased through an online store, we are glad to link to it provided that there is a WaterSense-specific landing page

Online-only stores: We are also happy to direct interested consumers to our online only partners provided the partner:

- has submitted last year's annual data report
- sells WaterSense labeled products
- provides a link to their WaterSense-specific landing page
- accurately communicates which WaterSense labeled products you sell
