

**Internists, Pediatricians,
Family practitioners,
Allergists, Immunologists,
and Pulmonologists
Wanted for Research Study**

The National Center for Health Statistics is looking for internist, pediatricians, family practitioners, allergists, immunologists, and pulmonologists to participate in a one-hour, in-person research survey and interview on Asthma management. Interviews will be used to help us to improve our data collection forms and plans for future surveys. Participants will receive \$100 as a token of our appreciation.
