**TO:** Anne M. Hartman, Health Statistician  
RFMMB, ARP, DCCPS, NCI

**FROM:** NIH Privacy Act Officer

**SUBJECT:** Non-applicability of the Privacy Act

I have reviewed your submission to OMB requesting approval for the "Next Series of Tobacco Use Supplements to the Current Population Survey (TUS-CPS)(NCI)"

The Census Bureau will collect the data for the Bureau of Labor Statistics (BLS) and the National Cancer Institute (NCI). NCI will receive, through its interagency agreement with the Census Bureau, a data set devoid of personal identifiers. Since personal identifiers are not collected and used to retrieve information about individuals, the Privacy Act does not apply.
