How the Online Appeal Disability Report Works

OMB No. 0960-0144

You are now starting the online Appeal Disability Report, which is Part 2 of the Internet Appeal process. The Appeal Disability Report (SSA-3441) on the following pages will ask you to describe any changes that have occurred since you last completed a disability report. This will include information about your condition, medical sources and treatments, work activities and education. If you need to find a ZIP code for an address, use the [ZIP Code Lookup](#).

Completing and Saving the Appeal Disability Report:

- The report does not have to be done all at once. After you complete the next page, we will give you a Reentry Number. You will be able to stop working on the report whenever you want and then use this Reentry Number to come back to the section where you left off.
- We estimate you will need 120 minutes to complete this Appeal Disability Report. If you want more information, use this link to read about the [Paperwork Reduction Act](#).
- In each section of the report you will be asked to enter information. We will give you instructions and examples to guide you.
- At the end of each section, you will have a chance to review your answers and add or change information.
- After you complete a page, some answers are protected and cannot be changed by going back to that page. If you need to make changes to a protected answer on a completed page, continue with the report. You will be able to change your answer from the summary page at the end of the section.
- When you have completed the report, you will see a full summary of the information you entered. You can make any necessary changes and then print or save a copy of this summary for your records. If you want to keep a copy of the entire report for your records, you will need to print or save each page using your browser's print command.
- If you do not have enough room to enter all the information you want to give us on the report, including the Remarks block in the Review and Send section, please write the information on a separate sheet of paper and send it to us at the address we will give you after you've completed this report.

How to Move Around in the Report

- To move forward page by page in order in the report, select the Continue button at the bottom of the page.
- To move from section to section in the report, use the Tabs at the top of the page. Using a Tab takes you to the first page of a section. If the Tabs are not "dimmed," you can use them to go to any section at any time.
- If you are navigating using only the keyboard or using an assistive device and need help, visit our [instructional page for alternative views and navigation](#). **Note:** If you select this link, you will leave this secure site and go to a new browser window. You will automatically return to this page when you close the new browser window.
- Once you have reached a Summary page in a section, you may return to it by using the Return to Summary button at the bottom of a page in that section.
- Additional buttons, other than Continue and Previous Page, may appear at the bottom of a page. These buttons allow you to take an action, such as deleting a page or returning to the summary.
- Additional information may appear in a new browser window. Close that window to return to the appeal process.

IMPORTANT

- **Do NOT use the Enter key to move around in the report or to select from the drop-down lists.**
- To move backward page by page in order in the report, select the Previous Page button at the bottom of the page. **Do NOT use the "Back" button on your browser to move backward.**
- **You will receive a time-limit warning if you stay more than 25 minutes on any one page. Then you can extend your time on that page. After the third warning on a page, you must move to another page or your time will run out and all your work on that page will be lost.** (NOTE: If you have turned JavaScript off in your browser, you will not receive these warnings and, after 30 minutes on a page, you must go to another page or your disability report session will end, and your work on the last page will be lost.)

Privacy Information

The Social Security Act (sections 205(a), 702, 1631(e)(1)(a) and (b), and 1869(b)(1) and (c), and Public Law 106-169 (Section 809(a)(1) of Sections 251(a)) and Section 1839(i) of the Act (P.L. 108-173) as appropriate) authorizes the collection of information on this form. We need the information to continue processing your claim. You do not have to give it, but if you do not you may not receive benefits under the Social Security Act. We may give out the information on this form without your written consent if we need to get more information to decide if you are eligible for benefits or if a Federal law requires us to do so. Specifically, we may provide information to another Federal, State, or local government agency which is deciding your eligibility for a government benefit or program; to the President or Congressman inquiring on your behalf; to an independent party who needs statistical information for a research paper or audit report on a Social Security program; or to the Department of Justice to represent the Federal Government in a court suit related to a program administered by the Social Security Administration. We explain, in the Federal Register, these and other reasons why we may use or give out information about you. If you would like more information, get in touch with any Social Security office, the Veterans Affairs Regional Office in Manila, or any U.S. Foreign Service post.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information about you may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office, the Veterans Affairs Regional Office in Manila, or any U.S. Foreign Service post.

This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. The expiration date for this OMB Control Number is 8/31/2009. We estimate that it will take you an average of 120 minutes to respond, but total time required will depend upon the number of questions you need to answer for the Internet Appeal Disability Report.

Submitting Additional Evidence

If you have additional evidence to submit in support of your claim:

- You may submit it directly to the hearing office that is handling your case. Your local Social Security office can give you the address.

Your Right To Representation

You can handle your own Social Security appeal with free help from Social Security, or you can choose a lawyer, a friend or someone else to help you. Someone you appoint to help you is called your “representative”. You cannot choose someone who has been suspended or disqualified from representing others before the Social Security Administration or who may not, by law, act as a representative. You may contact your local Social Security office for a list of legal referral and service organizations. We will work with your representative, just as we would work with you.

If you want to appoint someone as your representative, you or your representative must first complete Form SSA-1696 (Appointment of Representative) or send a written statement naming your representative. If your representative is not an attorney, he or she must sign the statement or SSA-1696 or state in writing that he or she accepts the appointment, before you send it to us.

Your representative cannot charge or collect a fee from you without first getting written approval from Social Security. However, your representative may accept money from you in advance as long as it is held in a trust or escrow account.

Both you and your representative are responsible for providing us with accurate information. It is illegal to furnish false information knowingly and willfully. If you do, you may face criminal prosecution.

You can get more information about having a representative by selecting the link [Your Right to Representation](#).

If You Have Questions

Call our toll-free number, 1-800-772-1213. If you are deaf or hard of hearing, call our toll-free 'TTY' number, 1-800-325-0778. Representatives are available Monday through Friday from 7 AM to 7 PM.

Who Is The Wage Earner?

The Wage Earner is a person who earns Social Security credits while working for wages or self-employment income. He or she is sometimes referred to as the "Number Holder" or "Worker."

If the Claim Number is not your own Social Security Number, then the Wage Earner is the spouse or parent on whose record you filed for disability. You should enter his or her name in the space provided.

You may continue without providing this information.

If You Have Questions

Call our toll-free number, 1-800-772-1213. If you are deaf or hard of hearing, call our toll-free 'TTY' number, 1-800-325-0778. Representatives are available Monday through Friday from 7 AM to 7 PM.
