

General T/TA Event Form

General T/TA Case Number: GTA3434

Definition: General T/TA Event form tracks T/TA made available to multiple States/Tribes/Territories as a means of training, information sharing, peer networking, or dissemination. General T/TA Activities are one-time or regularly scheduled T/TA Activities and are usually targeted to a particular group of recipients that share interest in a topic or issue. General T/TA Activities are not tailored to the needs of a specific State/Tribe as part of a T/TA Work Plan in response to a T/TA Request. Examples: webinar, conference presentation, regional meeting, etc.
