TABLE 8

REPORT ON IDEA PART B MAINTENANCE OF EFFORT REDUCTION (34 CFR §300.205(a))
AND COORDINATED EARLY INTERVENING SERVICES (34 CFR §300.226)

FFY 2009

Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1820-0689. The time required to complete this information collection is estimated to average 66 hours per local educational agency (LEA) and 48 hours per State educational agency (SEA) response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection.   If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, DC 20202. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: Office of Special Education Programs, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-7100.

States must submit electronic versions of complete data to the Office of Special Education Programs (OSEP) via its data contractor. OSEP will provide online, electronic submission instructions to facilitate this process.

Authorization: P.L. 108-446, §§613(f)(4) and 618(a)(3)

Due Date: **May 1, 2011**

Sampling Allowed: No

General Instructions

1.   No sampling is permitted for this data collection.

2.   Report whole dollar amounts.

3.   **Report on every local educational agency (LEA) and educational service agency (ESA) that receives a Section 611 or Section 619 subgrant from your state.**

4.   **In providing data for this collection, the State is to submit complete and unsuppressed data.**

Selected Defintions

National Center for Educational Statistics (NCES) identification number – The 7-character NCES LEA ID number that is used to uniquely identify a school district. These NCES ID numbers are also used to identify LEAs when entering data into the EDEN system.

Specific Instructions for Section A: LEA Allocations

In Column **A**1A, list the name of each LEA and ESA that receives a Section 611 or Section 619 subgrant from your state.

In Column **A**1B, list the NCES identification number for each LEA and ESA that receives a Section 611 or Section 619 subgrant from your state. If the ESAs in your state do not have NCES identification numbers, please insert a -9 in this column.

In Column **A**2A, report the total Federal fiscal year (FFY) 2008 allocation of Section 611 funds each LEA or ESA received for FFY 2008 (i.e., funds available on July 1, 2008 and October 1, 2008).

In Column **A**2B, report the total FFY 2009 allocation of Section 611 funds each LEA or ESA received for FFY 2009 (i.e., funds available April 1, 2009, July 1, 2009, September 30, 2009, and October 1, 2009). This must include the IDEA regular allocation combined with the IDEA ARRA allocation.

In Column A2C, the dollar amount increase in the total allocation of Section 611 funds from FFY 2008 to FFY 2009 will be auto-calculated for each LEA or ESA. However, please verify the figures that are auto-calculated are correct.

In Column **A**3A, report the total FFY 2008 allocation of Section 619 funds each LEA or ESA received for FFY 2008 (i.e., funds available July 1, 2008).

In Column **A**3B, report the total FFY 2009 allocation of Section 619 funds each LEA or ESA received for FFY 2009 (i.e., funds available April 1, 2009 and July 1, 2009). This must include the IDEA regular allocation combined with the IDEA ARRA allocation.

In Column A3C, the dollar amount increase in the total allocation of Section 619 funds from FFY 2008 to FFY 2009 will be auto-calculated for each LEA or ESA. However, please verify the figures that are auto-calculated are correct.

In Column A4, the total (combined) dollar amount of Section 611 and 619 allocations from FFY 2009 will be auto-calculated for each LEA or ESA. However, please verify the figures that are auto-calculated are correct.

In Column A5, 15% of the total (combined) dollar amount of Section 611 and 619 allocations from FFY 2009 will be auto-calculated for each LEA or ESA. However, please verify the percentages that are auto-calculated are correct.

Specific Instructions for Section B: Maintenance of Effort Reduction

In Column **B**1A, list the name of each LEA and ESA that received a Section 611 subgrant from your state.

In Column **B**1B, list the NCES identification number for each LEA and ESA that received a Section 611 subgrant from your state. If the ESAs in your state do not have NCES identification numbers, please insert a -9 in this column.

In Column **B**2, for each LEA or ESA, report **the determination under 34 CFR § 300.600(a)(2) that controls whether the LEA may be able, based on FFY 2009 funding, to reduce MOE during SY 2009-2010. For each LEA or ESA, the determinations should be specified as one of the following: meets the requirements and purposes of Part B; needs assistance in implementing the requirements of Part B; needs intervention in implementing the requirements of Part B; or needs substantial intervention in implementing the requirements of Part B.**

Above the Section B grid, report which school year's data (i.e., 2007-08 or 2008-09) was used to make the LEA or ESA determinations that apply to whether the LEA or ESA may, based on FFY 2009 funding, reduce MOE during SY 2009-2010.

In Column **B**3, report the actual dollar ($) amount that each LEA or ESA reduced local, or State and local, expenditures under the IDEA MOE provision in IDEA §613(a)(2)(C) during SY 2009-10. Report the actual amount by which local, or State and local, expenditures were reduced; do not provide a projection of this amount. **If LEA or ESA did not reduce MOE, report a -9 in Column B3.**

In Column **B**4, the percent of the available MOE reduction that the LEA or ESA took during SY 2009-10 will be auto-calculated. This is a percent of the amount the LEA is allowed to take for the MOE reduction. The percent of available reduction taken by the LEA or ESA during SY 2009-10 will be calculated in the following way: subtract the FFY 2008 Section 611 allocation (Column **A**2A) from the FFY 2009 Section 611 allocation (Column **A**2B) and multiply the difference by 50% (this will equal the largest allowable amount for the MOE reduction). Divide the amount of the reduction of local or State and local funds taken pursuant to Section 613(a)(2)(C) by the LEA or ESA during SY 2009-10 (Column **B**3) by the product and multiply the quotient by 100. For example, if an LEA's FFY 2008 allocation of Section 611 funds was $500,000 and the same LEA's FFY 2009 allocation of Section 611 funds was $700,000, the allocation would have increased $200,000 from FFY 2008 to FFY 2009. To calculate the amount the LEA could reduce its MOE, the LEA would multiple $200,000 by 50% which equals $100,000. This $100,000 is the maximum allowable amount for the MOE reduction. If the LEA actually reduced its local, or State and local, expenditures by $50,000 (reported in Column **B**3), the auto-calculated percentage would equal $50,000 divided by $100,000 (the maximum allowable amount for the reduction), multiplied by 100, which equals 50% of the available reduction.

FFY 2009 allocation (Column **A**2B)	$700,000
- FFY 2008 allocation (Column **A**2A)	-$500,000
Increase in funds between FFY 2008 and 2009	$200,000

Increase in funds between FFY 2008 and 2009	$200,000
x Maximum % MOE reduction	x 50%
Maximum allowable amount for MOE reduction	$100,000

Amount reduction taken by LEA (Column **B**3)	$50,000	= .50
Maximum allowable amount of MOE reduction	$100,000	

Percent of available MOE reduction taken   .50 x 100 = 50%
(Column **B**4)

Do not report any percentages in Column B4. However, please verify the percentages that are auto-calculated are correct.

Specific Instructions for Section C: Provision of Coordinated Early Intervening Services (CEIS)

In Column **C**1A, list the name of each LEA and ESA that received a Section 611 or Section 619 subgrant from your state. An LEA or ESA should be included in the list even if that LEA or ESA does not use IDEA funds for CEIS (voluntary or required). **If the CEIS provisions (voluntary or required) in IDEA do not apply to an LEA or ESA that receives a Section 611 or Section 619 subgrant, please list the LEA or ESA and insert -9's in Columns C2A, C2B, C3A, and C3B.**

In Column **C**1B, list the NCES identification number for each LEA and ESA that received a Section 611 or Section 619 subgrant from your state. An LEA or ESA should be included in the list even if that LEA or ESA does not use IDEA funds for CEIS (voluntary or required). If the ESAs in your state do not have NCES identification numbers, please insert a -9 in this column.

In Column **C**2A, report whether each LEA or ESA was required to use 15% of IDEA 611 and 619 funds for CEIS due to significant disproportionality in SY 2009-10. Under 34 CFR §300.646(b)(2), LEAs (including ESAs) that are identified by the SEA as having significant disproportionality based on race and ethnicity in identification, placement, or disciplinary actions must use 15% of IDEA funds for CEIS.

In Column **C**2B, report the dollar ($) amount that was reserved for CEIS in each LEA or ESA that was required to use IDEA funds for CEIS in SY 2009-10. **If the Column C2A response is "No" to indicate that the LEA or ESA was not required to reserve funds for CEIS, then a -9 should be reported in C2B for the amount reserved for required CEIS.**

Note: If the Column C2A response is "Yes" to indicate that the LEA or ESA was required to reserved funds for CEIS, then the figure in Column C2B and the percentage auto-calculated in Column C2C should equal 15% of the total LEA or ESA allocation for Sections 611 and 619 in FFY 2009.

Note: The figure reported in Column C2B should match the figure auto-calculated in Column A5.

In Column **C**2C, the percent of IDEA funds that the LEA or ESA was required to reserve for CEIS due to significant disproportionality in SY 2009-10 will be auto-calculated using the figures from Column **C**2B and Column **A**2B and Column **A**3B. Do not report any percentages in Column **C**2C. However, please verify the percentages that are auto-calculated are correct.

In Column **C**3A, report whether the LEA or ESA voluntarily used up to 15% of IDEA 611 and 619 funds for CEIS in SY 2009-10. Under 34 CFR §300.226, LEAs (including ESAs) may use up to, but not more than, 15% of IDEA funds for CEIS.

In Column **C**3B, report the dollar ($) amount of funds reserved for voluntary CEIS during SY 2009-10. **If the Column C3A response is "No" to indicate that the LEA or ESA did not voluntarily reserve funds for CEIS, then a -9 should be reported in C3B for the amount reserved for voluntary CEIS.**

Note: If the Column C3A response is "Yes" to indicate that the LEA or ESA voluntarily used funds for CEIS, then the figure in Column C3B and the percentage auto-calculated in Column C3C should be less than or equal to 15% of the total LEA or ESA allocation for Sections 611 and 619 for FFY 2009.

In Column **C**3C, the percent of IDEA funds that the LEA or ESA used for voluntary CEIS during SY 2009-10 will be auto-calculated using the figures from Section C, Column **C**3B and Section A, Column **A**2B and Column **A**3B. Do not report any percentages in Column **C**3C. However, please verify the percentages that are auto-calculated are correct.

Specific Instructions for Section D: Number of Children Receiving Coordinated Early Intervening Services

For Section D, counts should cover the entire school year. Include children in grades kindergarten through 12.

In Column **D**1A, list the name of each LEA and ESA that received a Section 611 or Section 619 subgrant from your state. An LEA or ESA should be included in the list even if that LEA or ESA does not use IDEA funds for CEIS (voluntary or required).

In Column **D**1B, list the NCES identification number for each LEA and ESA that received a Section 611 or Section 619 subgrant from your state. An LEA or ESA should be included in the list even if that LEA or ESA does not use IDEA funds for CEIS (voluntary or required). If the ESAs in your state do not have NCES identification numbers, please insert a -9 in this column.

In Column **D**2, report the total number of children who received CEIS under IDEA at any point during the course of the reporting year. This is an unduplicated count. This count should include children who received CEIS regardless of whether the Part B funds to support the services were required to be set aside or voluntarily set aside. A child should be included in this count whether the child received CEIS and was later determined to be eligible for special education and related services during the same or subsequent reporting year or was not determined eligible for special education and related services.

In Column **D**3, report the total number of children who received CEIS under IDEA anytime in the past two school years (including SY 2007-08, SY 2008-09, and SY 2009-10) and received special education and related services in 2009-10. This is an unduplicated count.
