

You are receiving dependency and indemnity compensation (DIC) as the surviving spouse of a veteran who died in service or from service-connected conditions. Generally, a surviving spouse's entitlement to DIC ends with remarriage. If a surviving spouse remarries, entitlement may continue provided the marriage began after age 57 or has been terminated. You are responsible for reporting any change in your marital status.

We need to verify your marital status. Please answer the questions below.

If you do not return this letter with your answers to VA within 60 days of the date shown above, we will stop your DIC benefits. After answering the questions below, please return this letter in the enclosed envelope. Be sure to place it in the envelope so that the return address of the regional office shows through the envelope window.

You have the right at any time to submit additional information or to have a personal hearing to explain or clarify your statements. You also have the right to be represented at the hearing by a representative of your choice.
