GENERAL INSTRUCTIONS

1. **TRICARE Prime** - Active duty service members are required to enroll in Prime. Active duty family members, retirees and their family members are encouraged, but not required, to enroll in Prime. Please note that enrollment is not automatic.

2. **TRICARE Prime Remote (TPR)** is a program for active duty service members and their family members when the sponsor lives and works over 50 miles or one hour drive from a Military Treatment Facility (MTF) and the family member lives with the sponsor. Note: If residing in a Prime Service area, family members wishing to enroll must choose Prime and not TPR ADFM.

3. **US Family Health Plan** is a TRICARE Prime enrollment option for eligible individuals and families who live in six specific parts of the country: Seattle, Washington; Portland, Maine; Boston, Massachusetts; Staten Island, New York; Baltimore, Maryland; and Houston, Texas. The primary difference between other TRICARE options and the US Family Health Plan is that US Family Health Plan may be used by uniformed service retirees and their eligible family members who are age 65 or older.

For enrollment or PCM changes in the US Family Health Plan, submit the completed Application/PCM Change Form to the US Family Health Plan address listed below. For questions regarding enrollment/PCM changes in the US Family Health Plan, contact the US Family Health Plan member services at:

4. If enrolling more than three family members, fill out additional copies of Page 5.

5. Print in blue or black **ink**; make sure all available information is complete, accurate and legible.

6. Make sure all personal information matches that in the Defense Enrollment Eligibility Reporting System (DEERS). To check your DEERS information, call the Support Office at 1-800-538-9552 or log on to http://www.dmdc.gov and refer to your name as printed on your military ID card.

7. If you are an unremarried former spouse, make sure you show in DEERS under your own Social Security Number and use your own SSN as the "Sponsor Social Security Number" on the enrollment form (block 1).

8. If you become Medicare-eligible, for any reason, make sure your Medicare Part A and B status is correctly reflected in DEERS (Part B is required for all TRICARE beneficiaries, other than active duty family members. Though Part B is not required for US Family Health Plan enrollees, the Department of Defense highly encourages enrollment in Part B when first eligible to avoid potential Medicare Part B surcharges for enrollment.)

9. **Sign and date the application** (Section VI).

10. Please keep a copy of the completed TRICARE Prime Application/PCM Change Form for your records.

Enrollment in TRICARE Prime requires that all services, except for emergencies, must be coordinated through the PCM. If not, the beneficiary will be responsible for payment of charges in accordance with the Point-of-Service (POS) option as described in the TRICARE Beneficiary Handbook.
