OMB Approval Number: 0910-XXXX OMB Expiration Date: XX/XX/XXX

GLUTEN-FREE LABELING OF FOOD PRODUCTS EXPERIMENTAL STUDY Draft Paper Questionnaire 10-14-09

Introduction

Thank you for participating in this important study on food labeling. Your responses are valuable to us. Please be assured that all your responses will be kept completely confidential. You can skip any of the questions and quit at any time. The whole questionnaire will take about twenty minutes to complete.

Thank you very much for your time.

Do you have medically diagnosed celiac disease or a gluten intolerance, or do you regularly purchase groceries or prepare food for someone with a medically diagnosed celiac disease or a gluten intolerance? Please choose the response that most closely matches your circumstances.
YES, I have medically diagnosed *celiac disease*YES, I purchase groceries or prepare food for someone with medically diagnosed celiac disease
YES, I have medically diagnosed *gluten intolerance*YES, I purchase groceries or prepare food for someone with medically diagnosed gluten intolerance
NO (retain only as needed for control group quotas. SKIP Q5.)

PUBLIC DISCLOSURE BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average twenty (20) minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: "

Department of Health and Human Services Food and Drug Administration CFSAN/PRB Comments/HFS-24 5100 Paint Branch Parkway College Park, MD 20740-3835.
