# 1 Introduction

This manual will guide you through the process of completing the Annual Financial Report (AFR) Long Form for the National Park Service (NPS). You are encouraged to read through this Guide before you start to complete your electronic AFR. The Guide provides general information on correctly completing the form, as well as guidance for changing the security levels setting in your Excel program, so that the macros in the files will work.

NPS Concession Program (NPSCP) has used a **Microsoft Windows**<sup>®</sup> based application, **Microsoft Excel**<sup>®</sup> (Excel), to develop the electronic AFR Forms. This document assumes you are familiar with basic uses of Microsoft Windows. If you are not, please consult an individual within your organization or park that is familiar with Microsoft Windows. The *AFR Excel Guide*, available on the AFR website is an additional resource available for those who are unfamiliar with Excel.

NPSCP has designed the AFR Forms in Excel so that concessioners can easily enter and submit financial reporting data to the National Park Service. If you are familiar with Excel, you will find that the application is much more than an ordinary spreadsheet; it is highly automated and controlled, facilitating efficient and accurate data entry and submission. Once you have entered your financial reporting data, you will be able to electronically save and submit the AFR data to NPS from within the Excel application. You will also be able to print paper copies of the AFR spreadsheet to save for your own records.

*There is no need for you to complete the AFR Long Form in one sitting.* Excel allows you to save your work in progress and pick it up again at any time.

## 1.1 Technical Requirements

To complete the AFR Long Form you will need a licensed copy of **Microsoft Excel**<sup>®</sup> 2000 or later. Your computer will also need to meet the following minimum requirements in order to support Excel:

Component	Requirement
Computer & processor	Intel Pentium 233-MHz or faster processor
Memory	128 megabytes (MB) of RAM
Hard disk	150 MB of available hard-disk space
Screen Resolution	800 × 600 pixels or higher
Operating System	Microsoft Windows <sup>®</sup> 2000 with Service Pack 3, Windows XP or later
Internet Connection	Internet functionality requires dial-up or broadband Internet access

The electronic AFR submittal process is designed to work using Microsoft Windows on a Windows based computer. Even though the forms may be downloaded onto a Mac computer, the submittal process will not work with Mac computers. If you will be using a Mac computer to complete your AFR, please contact your park for permission to file a paper copy of the AFR and for a copy of the AFR form.

## **1.2 Questions and Support**

If you have questions related to completing the AFR form or on the use of the electronic version, please do not hesitate to contact the park individual responsible for concession matters. The *AFR Excel Guide*, “10 easy steps to completing and AFR” and “Frequently Asked Questions” documents on the AFR website, [http://www.nps.gov/commercialservices/tools\\_afr.htm](http://www.nps.gov/commercialservices/tools_afr.htm), can answer many common questions. You can also email questions to [afr\\_submission@nps.gov](mailto:afr_submission@nps.gov), which will put you in touch with someone from the Washington office.

## 2 AFR Web Submission Account

It is necessary to request an account online to submit your completed AFR forms. It is recommended you request your account before you complete your AFR Forms. After you submit your request, NPSCP personnel will have to activate your account; the process of activating your account by NPSCP personnel may take several days.

Before you can request an account online, you will need to know your individual ConcID (Concessioner Identification). Every concession operation has its own unique ConcID that is used to track their concession information in the National Park Service System, it is actually part of your contract or permit number.

- If you have a concession contract, look at the cover sheet to find your contract number; it should look similar to this example: CC-**ACAD019**-06. The middle 7 characters are your ConcID; in this example the ConcID would be **ACAD019**.
- If you have a concession permit, your permit number should be in the upper left hand corner of your permit and should look like the example given above: CP-**ACAD019**-06. Your ConcID would also be the middle 7 characters of your permit number: **ACAD019**. If you have a problem identifying your ConcID, please contact your park, they will be able to help you.

### 2.1 Request an account online

Go to the NPS Concession AFR webpage at [http://www.nps.gov/commercialservices/tools\\_afr.htm](http://www.nps.gov/commercialservices/tools_afr.htm). Once the website opens, click “Request an Account”.

(Alternately, you can go to <http://home.nps.gov/af/> and click “Request an Account”; both websites will take you to the same place.)

Once the “Request an Account” page opens, you need to provide some information. First, make sure “Concession” is selected for User Type. In the top field type your ConcID (after typing your ConcID, click  to add the ConcID), then provide the remaining information: Company Name, First Name, Last Name, Email Address, Phone Number, Password (password should have at least 6 characters), then click “Submit”.

*Note: If you are responsible for submitting AFRs for multiple ConcIDs, enter each additional ConcID in the first field one at a time, click the ‘Add’ button after each ConcID, when all of the ConcIDs have been added, complete the rest of the information and click “Submit”.*

Write down your password and keep in a safe place; you will need to know it for all future submittals.

REPORTING (AFR)

## Request An Account

Please complete the following form to request an account. All fields are required. Email questions to [afr\\_submission@nps.gov](mailto:afr_submission@nps.gov).

User Type  Concession  Park/Region

ConcID

Please enter a ConcID in the field above. Press the Add button to add another ConcID.

acad

ConcID

- ACAD001 - Acadia Corporation
- ACAD014 - Carriages In The Park, Inc.
- ACAD010 - National Park Tours & Transportation, Inc.
- ACAD011 - Oli's Trolley

## Request An Account

Please complete the following form to request an account. All fields are required. Email questions to [afr\\_submission@nps.gov](mailto:afr_submission@nps.gov).

User Type  Concession  Park/Region

ConcID ACAD001 Acadia Corporation

Company Name Acadia Corporation

First Name Joe

Last Name Smith

Email Address joe@acadia.com

Phone Number 123-444-5678

Password .....

Confirm Password .....

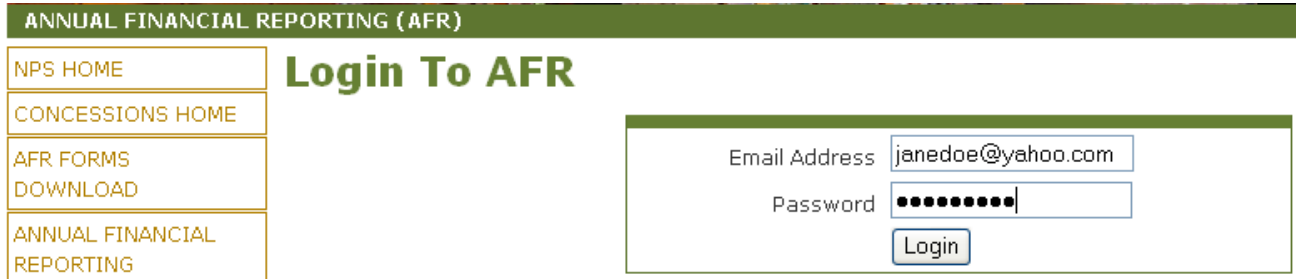

Submit

If your ConcID is not on the list, or has the wrong company name, please email [afr\\_submission@nps.gov](mailto:afr_submission@nps.gov) for assistance.

Once the System Admin (NPSCP Personnel) activates your account, the system will automatically send an email to the email address on the account verifying that your account has been activated. If you do not receive an email (check your spam box first), please send an email to [afr\\_submission@nps.gov](mailto:afr_submission@nps.gov). You will not be able to submit your AFR Form until your account is activated.

## 2.2 Changing Account Information

Once an AFR account has been created, it remains in the system; you can use the same account year after year. However, sometimes it may be necessary to update an account; for example if a new person becomes responsible for submitting the AFR or if your phone number changes. First, login to the AFR website (<http://home.nps.gov/afr/>) with your email address and password.

Submit

If you no longer have the password for your AFR account, send an email to [afr\\_submission@nps.gov](mailto:afr_submission@nps.gov). You will receive an email back with a temporary password. Login with your email address and the temporary password, then proceed with the above steps to change your password and update your information.

### 3 Downloading the AFR User Guide and Forms

You can download the following NPS AFR forms, User's Guides and other documents on [http://www.nps.gov/commercialservices/tools\\_afr.htm](http://www.nps.gov/commercialservices/tools_afr.htm):

- AFR Electronic Long Form
- AFR Electronic Short Form
- Supplemental Schedules
- AFR User's Guides
- AFR Excel Guide
- Frequently Asked Questions
- 10 Quick Steps to Completing and Submitting the AFR

Click on the green file name to download the file; a box will open asking if you want to save or open the file, choose save. Do not choose "open" or the AFR forms will not work correctly.

Save the files you need to a folder where you can easily access them. If you are unfamiliar with how to download and save documents from the website using Microsoft Excel, please refer to the *AFR Excel Guide* before proceeding.

## Annual Financial Reporting

All concession contracts require concessioners to submit an annual financial report, commonly referred to as the AFR. There are two report formats, with a standard form as well as an abbreviated version for smaller concession contracts. Both versions include a statement of income, balance sheet, detail of gross receipts and operational statistics. The submittal of AFRs by concessioners is an electronic process as outlined below.

Concessioners should start with a review of [10 Quick Steps to Completing and Submitting the AFR](#) and the list of [AFR Frequently Asked Questions](#). The two documents provide a wealth of information to get you on the right track for submitting your forms electronically.

The updated electronic AFR Short Form (v2.0) should be used for all concessions with gross receipts less than \$500,000 (unless granted exception by the Park Superintendent to submit a hardcopy). If for your 2009 submittal you have already downloaded and completed the AFR Short Form (v1.0), it is not a problem; the system will accept either version of the electronic AFR Short Form.

The AFR Long Form (v2.0) is being finalized and will be posted here soon. Concessioners should not use the 2008 AFR Long Form to file your 2009 AFRs. If you are required to submit a Long Form AFR and have a submittal deadline of March 15, 2010, please contact your park to request an extension.

To assist in completing electronic AFRs, new User's Guides are available for download. There is a User's Guides for those filing the AFR Short Form and another for those filing the AFR Long Form. These documents provide guidance on how to request a user account and how to submit the electronic AFR online. In addition to the two User's Guides, there is an AFR Excel Guide with basic information on using Microsoft Excel. (Please note that the electronic AFRs are not compatible with Macintosh computers. If you do not have access to a PC, please contact your park to request permission to submit a hardcopy AFR.)

After reviewing the AFR User's Guide, please follow the link to the left to request a user account and then, after filling out the appropriate forms, submit them electronically.

## 4 Macro settings MUST BE CHANGED Before Completing the NPS AFR Long Form

If you are unfamiliar with the basic uses of Excel, you are encouraged to review the *AFR Excel Guide* before proceeding with this section.

After you have downloaded and saved the AFR form to your computer and are ready to start filling in your AFR, **BEFORE** you open the NPS AFR Long Form, you need to change the Excel security settings first to enable the macros built in to the form.

### *How to Change Excel Security Settings for Excel 2003:*

First, open Excel and select “Tools” from the menu, select “Macro” then “Security” from the dropdown menu.

Note the level the macros are set now so you can return the settings to the original position after completing your AFR. Then, change the Security Settings to “Low” and click “OK”.

When you open the NPS AFR Long Form a Security Box may appear warning you that '**Macros may contain viruses.**' However, the macros contained within the NPS AFR Short and Long Forms enhance the worksheets and do not contain viruses – this is simply a standard warning issued by Microsoft Excel for any file that contains advanced coding. To proceed, select the '**Enable Macros**' button. Once macros have been enabled, the worksheet will continue to open.

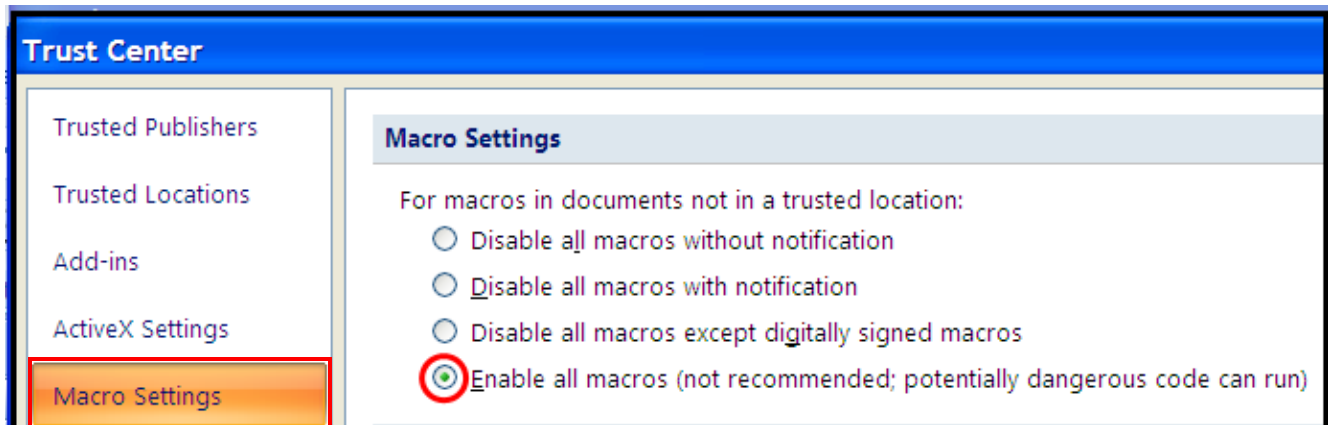

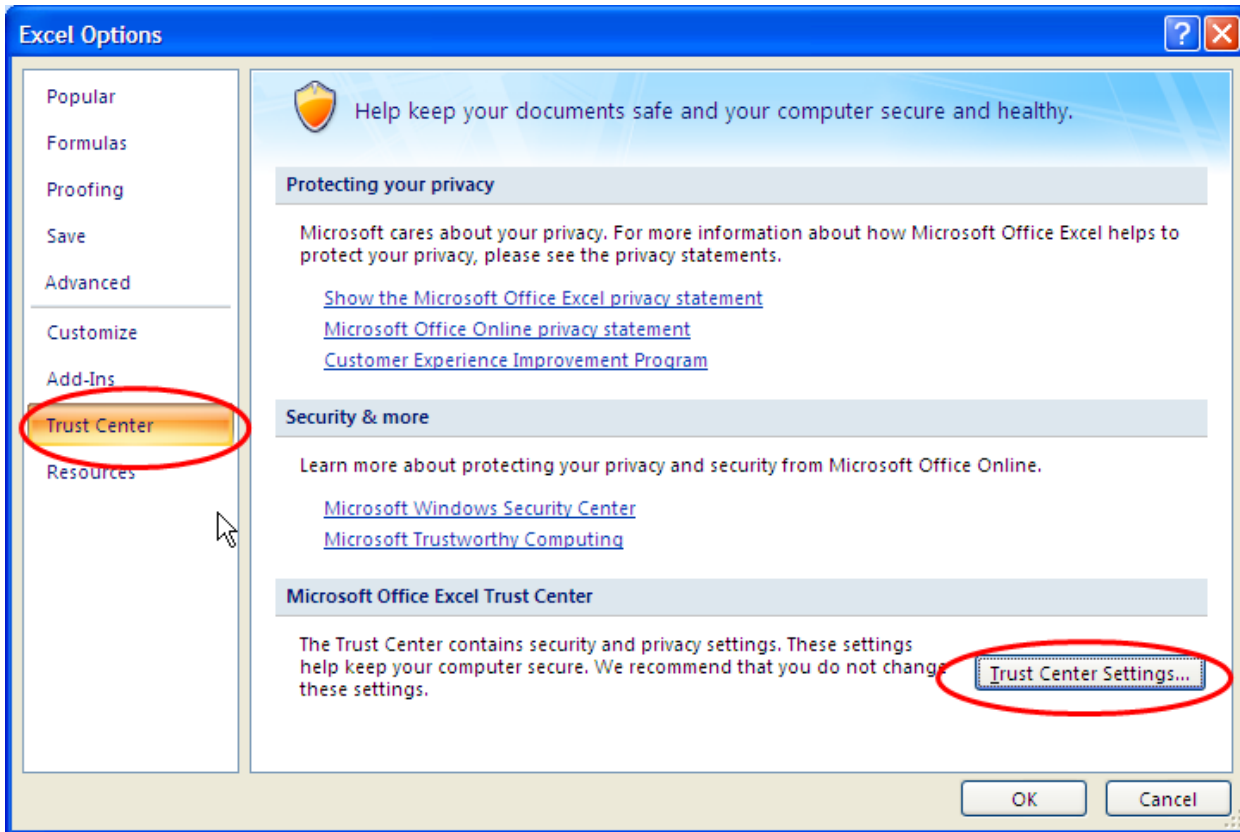

### *How to Change Excel Security Settings for Excel 2007:*

If you are using Microsoft Excel 2007, there are two settings that must be changed in order for the electronic AFR to work; Macro settings and ActiveX settings.

First, click the Microsoft Office Button , and then click Excel Options.

Then, click **Trust Center**, click **Trust Center Settings**, and then click **Macro Settings**.

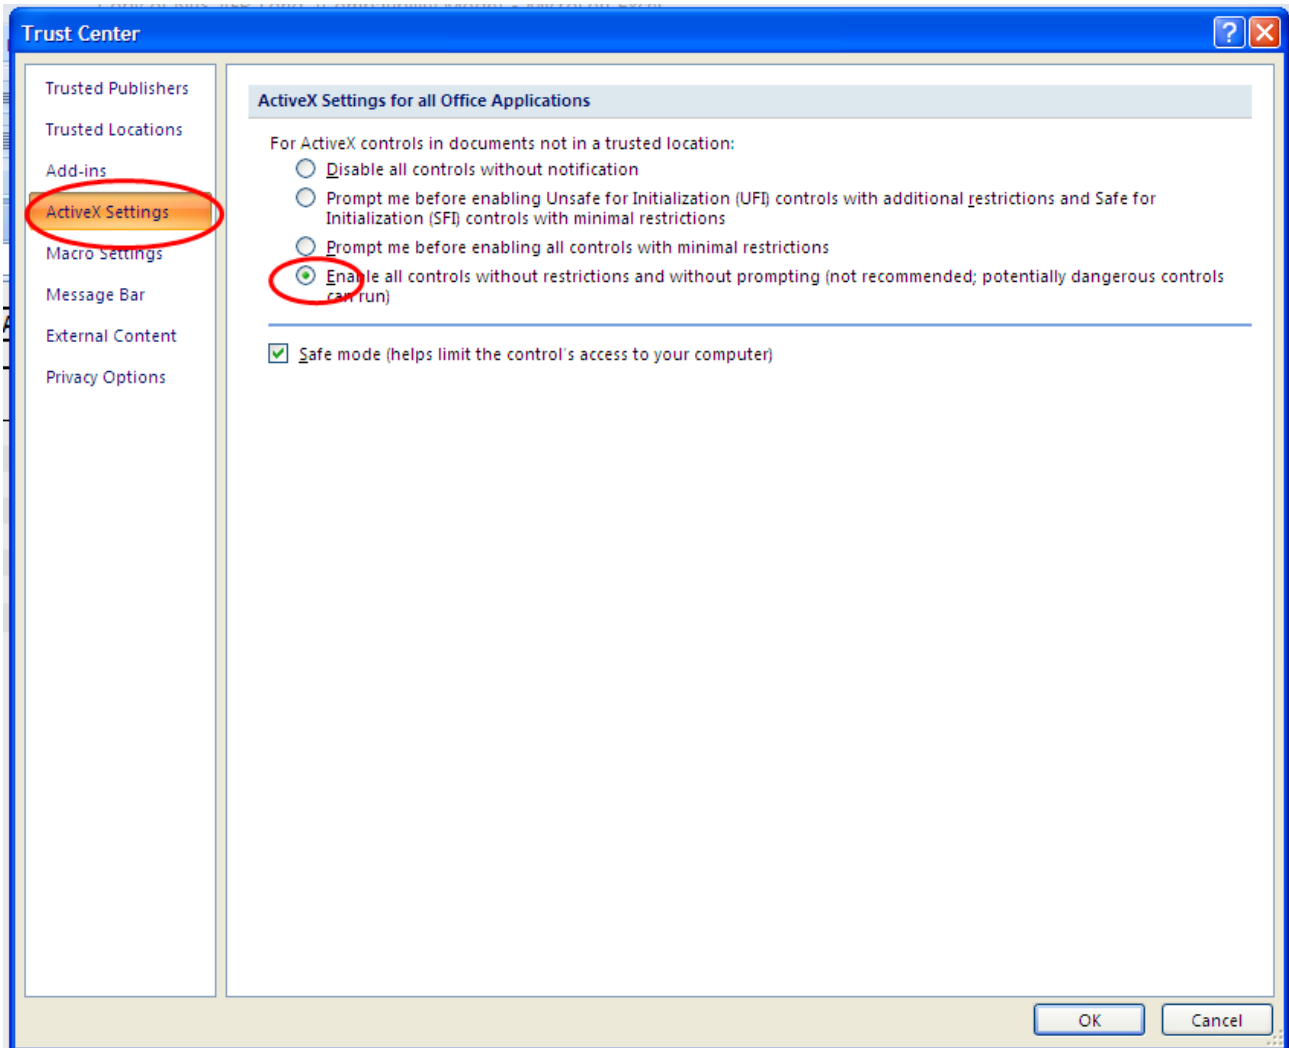

Click the option “**Enable all macros;**” selecting this option to allow all macros to run. Even though the message for this option states that it is not recommended, and that potentially dangerous code can run, this option must be selected for the electronic AFR process to work. After you finish working on your AFR, you can return your macro settings to their original setting to keep your computer protected.

Then click **ActiveX Settings** on the left side of the Trust Center window.

Select **Enable all controls without restrictions and without prompting (not recommended, potentially dangerous controls can run)** to enable all ActiveX controls in documents with minimal restrictions. Again, this option must be selected for the electronic AFR process to work. You may return the ActiveX settings to their original position after you complete the AFR.

Click on OK and OK again to get back to the Excel screen.

You are now ready to open the NPS AFR Long Form and begin filling it out.

## 5 Working on the AFR in Microsoft Excel - General Information

### 5.1 Cell Format Guidance

Cells that are designed to accept dollar amounts only allow whole dollar amounts. When entering your data, please round cents to the nearest dollar.

Cells that are designed to accept percentages only allow valid percentages. Please enter a percentage between 0 - 100%. You do not need to type the '%' symbol as it will already be provided within the cell.

You should format dates as mm/dd/yyyy in any cells that require the entry of a calendar date. Where, mm = month, dd = day and yyyy = four digit calendar year.

Some cells do not require data entry; they contain formulas that calculate a value based on data you entered into prior cells. These cells are shaded either tan or light grey. You **cannot** alter these cells.

If you are unfamiliar with Excel and need more guidance on cell formatting, see the *AFR Excel Guide*, page 17.

### 5.2 Info Button

Many schedules within the NPS AFR Long Form include additional user instructions. If the schedule includes extra guidance, an **'Info'** button will display in the top left corner of the spreadsheet. Simply click on the button and the information will appear on your screen. If nothing pops up when you click the Info button, the macro security level is not set properly. Refer to pages 7-9 for more information.

SCHEDULE G - DETAIL OF GROSS RECEIPTS	
CONCESSIONER: 0	YEAR ENDING: 1/0/00
DETAIL OF GROSS RECEIPTS	
<b>LODGING</b>	<b>TRANSPORTATION OF VISITORS</b>
1 Hotel and Motel	36 Water
2 Cabins and Cottages	37 Air
3 Hostels	38 Ground
4 Tent Cabins	39 Other:

**Instructions - Schedule G**

**SCHEDULE G - INSTRUCTIONS - SUPPLEMENTAL SCHEDULE**  
**DETAIL OF REVENUE**

Each concessioner is required to submit an annual financial report which reflects the results of that operation pursuant to the contract authorization. Financial reports should reflect only in-park operations and not include income and expenses of other non-concession operations or business of a concessioner's organization.

Enter on the appropriate lines the revenues from each of the services listed. Enter total by department, as indicated. Amounts entered in the "This Year Departmental Total" column must be forwarded to Schedule H. Total revenue amounts reported on Schedules A, B, G, and H must be the same.

Revenue should include all receipts from electronic media sales including internet and catalog sales.

**OK**

Read the instructions, and click the **'OK'** button to close the instruction box.

### Pop-Up Boxes

Most fields within the AFR Long Form include pop-up boxes that will appear once you have selected a cell. These pop-up boxes offer helpful instructions for completing the data entry associated with the cell.

Occasionally the pop-up boxes will cover the cell into which you are trying to enter information. If this happens, simply click on the box and drag it to another spot on the screen. Once you have moved the box, it will remain in the same spot until you move to the next spreadsheet.

### 5.3 Using the Table of Contents

Once you have opened the NPS AFR Long Form file, ensure the 'Table of Contents' tab is selected. To select the tab, click on the tab titled 'Table of Contents' at the bottom of the screen.

There are two ways to access Schedules within the Long Form. You can use the tabs at the bottom of the screen to move from one Schedule to another, or you can use the links provided to the right of the Table of Contents. To use the links, simply click on a Schedule's corresponding 'Link (X)' title.

National Park Service - AFR Long Form		
Table of Contents		
1	Concessioner Information	<a href="#">Link ID</a>
2	Schedule A - Combined Statement of Income and Retained Earnings	<a href="#">Link A</a>
3	Schedule A-1 - Statement of Income and Comprehensive Income	<a href="#">Link A1</a>
4	Schedule B - Computation of Government Fees and Special Account Contributions	<a href="#">Link B</a>

20	Schedule Q - Repair and Maintenance Reserve Expenditures	<a href="#">Link Q</a>
End	Submit AFR to NPS	<a href="#">Submit</a>

Column of Links. Simply click on the link to go to the corresponding schedule's spreadsheet

Row of tabs. Simply click on a tab to go to the corresponding spreadsheet

## 5.4 Concessioner Info Page

The first page you should complete is the Concessioner Info worksheet. Once you have clicked on the 'Concessioner Info' tab or 'Link ID,' you will see the screen shown below.

NPS Form 10-356A  
FORM APPROVED  
OMB No.  
(Revised February 2008)

**UNITED STATES DEPARTMENT OF THE INTERIOR  
NATIONAL PARK SERVICE**

**CONCESSIONER ANNUAL FINANCIAL REPORT (Data Compilation)**  
(For Concessioners with Gross Receipts Greater Than \$500,000)

For the Period from  to

Concessioner ID   
Concessioner   
Park Unit

(Contract or Permit No.)     (Effective Date)     (Expiration Date)

Relationship:  Corporation     S Corporation     Limited Liability Company     Partnership     Sole Proprietorship     Other

---

**DATA COMPILATION TABLE OF CONTENTS**

- Schedule A - Statement of Income
- Schedule A-1 - Statement of Income and Comprehensive Income
- Schedule B - Computation of Government Fees and Special Account Contributions
- Schedule C - Balance Sheet
- Schedule D - Depreciable Fixed Assets (Possessory Interest or Leasehold Surrender Interest)
- Schedule E - Statement of Cash Flows - Direct Method
- Schedule F - Notes to the Financial Statements
- Schedule G - Detail of Gross Receipts
- Schedule H - Departmental Income and Expenses
- Schedule H-1 Departmental Income and Expenses (Continuation Sheet)
- Schedule I - General and Administrative Expenses
- Schedule J - Information on Corporate Owners, Officers and Partners
- Schedule K - Additions to and Disposals of Depreciable Fixed Assets
- Schedule L - Supporting Schedule
- Schedule M - Operational Statistics
- Schedule N - Special Account Annual Reconciliation
- Schedule O - Special Account Project Expenditures
- Schedule P - Repair and Maintenance Reserve Annual Reconciliation
- Schedule Q - Repair and Maintenance Reserve Expenditures

---

**ANNUAL FINANCIAL STATEMENT CERTIFICATION**  
(Either one or both of the certifications below may be completed)

COMPLETE THE CERTIFICATION BELOW IF YOU ARE THE CONCESSIONER AND COMPLETED THE ANNUAL FINANCIAL REPORT

By typing my name below, I certify that I am authorized to complete and submit this report. This report has been examined by me.

The 'Concessioner Info' sheet is unique because it includes a drop down box that contains Concessioner IDs. A small arrow box will appear when you select the 'Concessioner ID' cell. Click on the arrow and a drop down menu will appear.

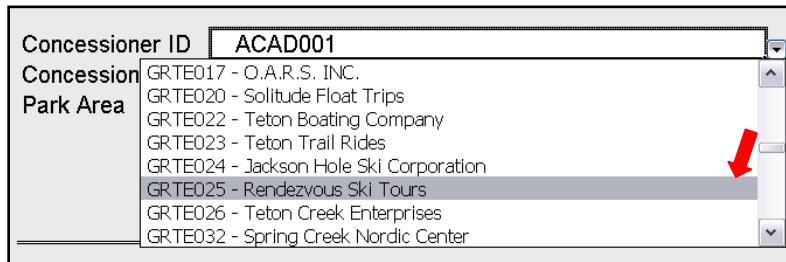

For the Period from  to

Concessioner ID

Concessioner Park Area

- ACAD001 - Acadia Corporation
- ACAD008 - Kentucky Carriage & Livery, Inc
- ACAD010 - National Park Tours
- ACAD011 - Oli's Trolley
- ACAD012 - Edward Winterberg
- ACAD013 - Carriages in the Park, Inc.
- AMIS002 - Lake Amistad Resort and Marina
- AMIS003 - Rough Canyon Marina, 1144

You can then use the arrows on the right of the menu to scroll to your Concessioner ID and Name. Once you have found the correct ID and Name, select the information by simply clicking on the line.

Excel will automatically fill the '**Concessioner ID**,' '**Concessioner**' and '**Contract or Permit No.**' cells with the information you selected

It is important that the information in the '**Concessioner ID**' cell and the '**Concessioner**' cell appear exactly the way it looks in the box above. The only information that should be in the cell for '**Concessioner ID**' is the concid. If for some reason when you select your concid from the drop-down box both the concid and the Concessioner name appear in the '**Concessioner ID**' cell, the AFR will not be able to be submitted. If this happens, your macro security levels are not set correctly, see pages 10-12 for instructions. After resetting your macro security levels, click the down arrow and make the selection again.

If your Concessioner ID is not listed in the drop down menu, you can enter the information manually. Simply click on the '**Concessioner ID**' cell and begin typing your ID. Once you have entered your ID and attempt to move to the next cell a warning message will appear.

If you correctly entered your Concessioner ID number and would like to continue entering information, simply click the '**Yes.**' Otherwise, click '**No**' to return to the cell to select an ID from the drop down menu. Once you have completed Concessioner Info, continue to the other spreadsheets by clicking on tabs at the bottom of the screen or returning to the '**Table of Contents**' tab and clicking on a desired link.

## 5.5 Special Guidance for Schedule D

Schedule D includes a feature that allows you to choose whether to complete the 'Schedule D for Possessory Interest' (DPI) or the 'Schedule D for Leaseholder Surrender Interest' (DLSI).

Before completing Schedule D, you must determine which version of the schedule is appropriate for your concession. If you are not sure which Schedule D you should use, please contact your park. The Excel NPS Long Form file you receive will contain a tab labeled either 'DPI' or 'DLSI.' Regardless of which schedule you need to complete, click on the worksheet tab at the bottom of your screen that says either 'DPI' or "DLSI". Within the Schedule D spreadsheet, there is a green button that allows you to switch between DPI and DLSI. Choose the appropriate Schedule D and then begin to complete the necessary data entry. Once you have started entering data you should not switch between the two versions because it will cause the Schedule D spreadsheet to 'reset' itself. You will lose any information entered into the other version of Schedule D.

The screenshot displays the Microsoft Excel interface for the 'NPS AFR Long v25' spreadsheet. The title bar indicates the application name. The menu bar includes File, Edit, View, Insert, Format, Tools, Data, Window, and Help. The toolbar contains various icons for file operations and editing. The spreadsheet content is as follows:

SCHEDULE D - DEPRECIABLE FIXED ASSETS INCLUDING LEASEHOLD SURRENDER INTEREST						
CONCESSIONER: 0					YEAR ENDING: 2006	
	ASSETS IN WHICH LEASEHOLD SURRENDER INTEREST IS CLAIMED		NON LEASEHOLD SURRENDER INTEREST ASSETS			
	NPS Approved Capital Improvements A	Capital Improvements C	Transportation Equipment D	Furniture Fixtures Equipment E	Other F	Total G
<b>A. COST</b>						
1	Depreciable Fixed Assets, Prior Year Balance					
2	Adjustment(s) to Prior Year Balance(s)					
3	Additions this Year (Must be itemized on Schedule K)					
4	Disposals this Year (Must be itemized on Schedule K)					
5	Depreciable Fixed Assets, Ending Balance (Carry Column G to Schedule C)					
<b>B. ACCUMULATED DEPRECIATION</b>						
6	Accumulated Depreciation, Prior Year Balance					
7	Adjustment(s) to Prior Year Balance(s)					

The spreadsheet footer shows the navigation pane with tabs for 'Table of Contents', 'Concessioner Info', 'A', 'A1', 'B', 'C', 'DLSI', 'E', 'F', 'G', 'H', 'I', 'J', 'K', 'L', 'M', 'N', 'O', 'P', 'Q', and '- SUBMIT -'. The status bar at the bottom indicates 'Ready'.

## 5.6 Special Guidance for Schedule M

By default, the AFR Long Form includes one 'Schedule M - Operational Statistics'. Some concessioners however, may need to complete multiple instances of this Schedule, if there multiple instances of the same type of operation within the park (e.g. 2 gift shops and 3 snack bars.) A maximum of seven Schedules M are allowed. If you feel that more than seven Schedules are needed, please work with your Park's concessions contact to consolidate your information. To insert additional Schedules, click on the drop-down menu arrow, located in the top right corner of the Schedule.

<b>SCHEDULE M - OPERATIONAL STATISTICS # 1</b>		1	Add / Drop Schedules >>
CONCESSIONER: Lake Amistad Resort and Marina		YEAR ENDING: 2006	

A menu will appear that gives you the option of inserting up to seven copies of the Schedule. Select the number of Schedules you would like inserted and then click the 'Add/Drop Schedules' button to complete the process.

<b>SCHEDULE M - OPERATIONAL STATISTICS # 1</b>		5	Add / Drop Schedules >>
CONCESSIONER: Lake Amistad Resort and Marina		YEAR ENDING: 2006	
Site Name Goes Here		Principal Season	006 to:
		Total Season	006 to:

Once the Schedules have been successfully inserted, additional tabs will appear at the bottom of the screen. Any time the user elects to complete more than one Schedule M, a tab titled 'M-total' is inserted. This tab does not require any user input, but simply provides a summary of all Schedules M completed.

Concessioner Info / A / B / **M1** / M2 / M3 / M4 / M5 / M-total / N / O / - SUBMIT - /

Users can reduce the number of Schedules M at any time. If you decide additional Schedules M are unnecessary, select the tab 'M1' and use the drop down menu, located in the top right corner of the Schedule, to select the appropriate number of Schedules M. Click the 'Add/Drop Schedules' button to complete the process. Before the additional Schedules are deleted, a warning box will appear verifying you wish to proceed. To delete the additional Schedule M, click 'OK,' to discontinue the process, click 'Cancel'.

**Drop this schedule M5?**

This action will delete Schedule M5 and its content.

If you want to continue, click OK, otherwise select Cancel

OK Cancel

Once all of the spreadsheets have been completed, select the 'Submit' tab and continue to Section 7, *Submitting the NPS AFR Short & Long Forms*, of this document.

## 5.7 *Special Guidance for Schedules F, K, L and O*

Some concessioners will have a large amount of information to report in Schedules F, K, L or O that will not fit in the regular AFR Long Form. There are four options for submitting longer versions of these Schedules to the NPS:

1. Use the Supplemental Schedule File provided on the AFR website (Schedules K & O only)
2. Create a document in Microsoft Word 2003 or 2007 and upload it to the AFR website when you submit your AFR (see pages 24-25)
3. Create a spreadsheet in Microsoft Excel 2003 or 2007 and upload it to the AFR website when you submit your AFR (see pages 24-25)
4. Create a PDF document in Adobe Acrobat (see *Excel Guide* for assistance) and upload it to the AFR website when you submit your AFR (see pages 24-25)

For Schedules K and O, this information can be reported in the Long Form Supplemental File (see section 6) or as a separate document. Any concessioner can choose to upload these schedules as a separate file; those who have more than 100 lines of information on Schedules K and O must do so since the supplemental Schedules are limited to 100 lines.

Schedule F (Notes to the Financial Statements), other financial documents/notes, and the CPA Audit or Review letter should be saved and uploaded as a separate PDF, Word or Excel File. Additional files should be saved in the same location as the AFR and must be named “CONCID\_FiscalYear\_documentname.” For example, BUIS001\_2009\_CPAREview.

Creating a PDF of Schedules F, K or O can be helpful for concessioners who use their own accounting software to keep track of these items. Instead of inputting all of the data into the AFR worksheets, it can simply be saved as is and uploaded. However, it is vital that **all** of the information required on these schedules is reported, even if the formatting is different. For more information how to create a PDF, see the *AFR Excel Guide*, page 20.

## 6 NPS Long Form Supplemental File

Concessioners who need additional space to enter their depreciable fixed assets (Schedule K) or special account project expenditures (Schedule O) may download the optional Supplemental Schedule File, which provides an additional 100 lines for each schedule, or they may use additional PDF files, as detailed in the previous section. The supplemental file should be downloaded into the same file folder the long form was downloaded to.

Please complete the Long Form before starting a Supplemental file, because the Supplemental file needs to synchronize with the Long Form. **Note: If you are using a Supplemental File, do not submit the Long Form until you complete the Supplemental File and synchronize it with the long form.**

### 6.1 Synchronize with the AFR Long Form

**Submit Supplemental AFR Long Form**

This is SUPPLEMENTAL FILE to the electronic AFR Long Form.  
Please use it to submit additional information for these schedules:  
Schedule K - Additions to and Disposals of Depreciable Fixed Assets  
Schedule O - Special Account Project Expenditures

Before the supplemental file can be submitted, it must be synchronized with the primary AFR Long Form.

**1) Synchronize with AFR Long Form**

This supplemental file requires information from the full AFR Long Form.

AFR Path:  Browse... Browse for NPS AFR Long.xls

CONCID			
End Date			
Concessioner			
PrimaryKeyID			
Contract No			

Clear Clear sync information  
Sync Synchronize info with AFR

After you have opened and filled in all of the Schedule K and/or Schedule O information, go the 'Submit' tab.

1. Click on the 'Browse' button to the right of the AFR Path box to locate your completed copy of the NPS AFR Long Form.
2. Click on the 'Sync' button. This will pull in important information, including the CONCID, Date, and Contract Number which has already been entered from the Long Form. When you upload your AFR Long form, the supplemental file will be automatically uploaded. The Supplemental file must be synchronized with a Long Form before it can be submitted.

## 6.2 Save the AFR Supplemental Prepared Data File

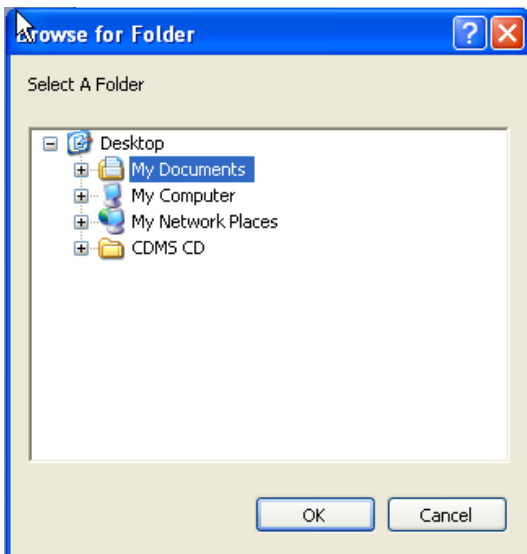

Click the 'Browse' button to pick a File Path.

2) Create AFR Supplemental Prepared File

a) First, choose a destination folder on your computer to store the Prepared AFR files:  
File Path: C:\ Browse...

b) Now, create an AFR Prepared Data file in the destination folder.  
Filename: Please SYNC with Completed Long Form  
Create Prepared Data File  
Open Path Folder

c) (Optional) Print out paper copy of Supplemental Schedules K and O for record keeping.  
Print Paper Copies

A small menu will appear in the top left corner of your screen. Browse to the folder where your other AFR files are saved, or if you followed the instructions in the *AFR Excel Guide*, select the 'My Documents' folder by clicking on the '+' symbol.

Once you've clicked the '+' symbol, a list of folders and documents in your 'My Documents' folder will appear, including the 'Annual Financial Reports' folder.

Click on the '**Annual Financial Reports**' folder and then click '**OK,**' to select a location to save the *Prepared Data File*. Then click the '**Create Prepared Data File**' button on the submittal page to save the *Prepared Data File*.

Create Prepared Data File

Open Path Folder

c) (Optional) Print out paper copy of Supplemental Schedules  
Print Paper Copies

If you would like a paper copy for your records, click the 'Print Paper Copies' button.

When you upload the long form, the supplemental form(s) will automatically be uploaded as part of the AFR file. If you have additional files, such as a CPA audit letter, Schedule K in an Excel spreadsheet, or financial notes to submit along with your AFR, proceed to the next section for more instructions.

## 7 Submitting the NPS AFR Long Form

The NPS AFR Long Form should be submitted via NPS AFR website using the internet. Once you have finished entering all data in each worksheet of the NPS AFR Long Form, and have synced the Supplemental File if necessary, select the 'Submit' tab at the bottom of the AFR Long Form.

Submitting your AFR forms via the NPS AFR website is a simple process that can be completed using your web browser. Before you begin ensure that your computer is connected to the internet and that you have an activated AFR Web submission account. If you have not set up your account, please see pages 4-6 of this guide. Also, be sure to do a "quick save" to ensure all of your work has been saved.

### 7.1 Creating and Saving Prepared Data File

#### Step 1: Select a Location to Save the Prepared Data file

In order to submit financial reporting data to NPS, you will need to prepare your data to be sent to NPS. When the AFR information is submitted, the actual data that was input into the form is the only information that is sent, the entire form is not submitted. Therefore a new file with only the AFR data needs to be created for the submission process to work. This new file is called the Prepared Data File. Begin this process by selecting the '**Submit**' tab, then clicking the '**Browse**' button.

**Submit AFR Long Form**

The following step-by-step instructions will show how to save the AFR data into a Prepared ".xml" format and send it to the National Park Service.

Don't worry. It's easy!

**1) Create AFR Supplemental Prepared File**

a) First, choose a destination folder on your computer to store the Prepared AFR files:  
File Path:  **Browse...**

b) Now, create an AFR Prepared Data file in the destination folder.  
Filename: PreparedData-L\_(2010-01-28).xml  
Last Submit:   
**Create Prepared Data File**

**Open Path Folder** This shows where the prepared data file is saved. No action is required.

c) (Optional) Print out paper copy of Annual Financial Report for record keeping.  
**Print Paper Copies**

**Browse for Folder**

Select A Folder

- My Documents
- My Computer
  - 3 1/2 Floppy (A:)
  - Default (C:)
  - DVD Drive (D:)
  - DVD-RW Drive (E:)
  - EBackup on 'denveruserfiles\users\$' (M:)
  - wasos\$ on 'Cluster Node 1 (denvercommc
  - Concessions on '3rd Fir LAN Server for U
  - CS AFR PDFs on 'Inp25S2eyestfs3' (S:)
  - DenDFS on 'Nps.doi.net' (V:)
  - My Network Places

OK Cancel

A small menu will appear in the top left corner of your screen. Navigate to the folder where you saved your AFR. For those who saved their AFR in a folder of their choice, click on the appropriate folder and then click '**OK**,' to select a location to save the Prepared Data File. For those who followed the saving instructions in pages 10-12 of the *AFR Excel Guide*, select the 'My Documents' folder by clicking on the + symbol. Then click on the 'Annual Financial Reports' folder and click '**OK**' to select a location to save the Prepared Data File.

It is important to note that the Prepared Data File is separate from the Excel file you have been using to enter your AFR information; it is a special extract that is automatically generated in a required format.

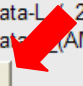

## Step 2: Create the Prepared Data File

Once you have selected a location to save the Prepared Data File, click the 'Create Prepared Data File' button.

**1) Create AFR Supplemental Prepared File**

a) First, choose a destination folder on your computer to store the Prepared AFR files:  
File Path:

b) Now, create an AFR Prepared Data file in the destination folder.  
Filename: PreparedData-L\_(2010-02-05).xml  
Last Submit: PreparedData-L\_(AMIS002\_2010-02-04-14:20:32)

This shows where the prepared data file is saved. No action is required.

If the Datafile creation was successful, the box shown at right will pop-up:

If there is an error in your AFR, a box will pop-up requesting that changes be made. Go back to the worksheet(s) indicated, make the changes, and click the 'Create Prepared Datafile' button again.

Your Prepared Data File has now been created and saved. This is the file you will upload to the AFR website. The filename will look like "PreparedData-L\_(BADL001\_2009-07-23).xml". Make a note of this filename so you will easily be able to locate the correct file when you upload to the AFR website.

## 7.2 Printing Hard Copies of the Annual Financial Report

You can use the 'Print Paper Copies' button to print hard copies of the Annual Financial Report. Printing and maintaining a hardcopy of the AFR Long Form is suggested in the event that NPS should have questions about your data. The print button is located at the bottom of spreadsheet named '**Submit.**' Simply click the 'Print Paper Copies' button.

c) (Optional) Print out paper copy of Annual Financial Report for record keeping.

Once you have clicked the 'Print Paper Copies' button, the print menu will appear. Choose how many copies of the report you would like to print and click the 'OK' button.

For more help with printing, see the *AFR Excel Guide*.

Now you are done with this section and are ready to upload to the AFR website.

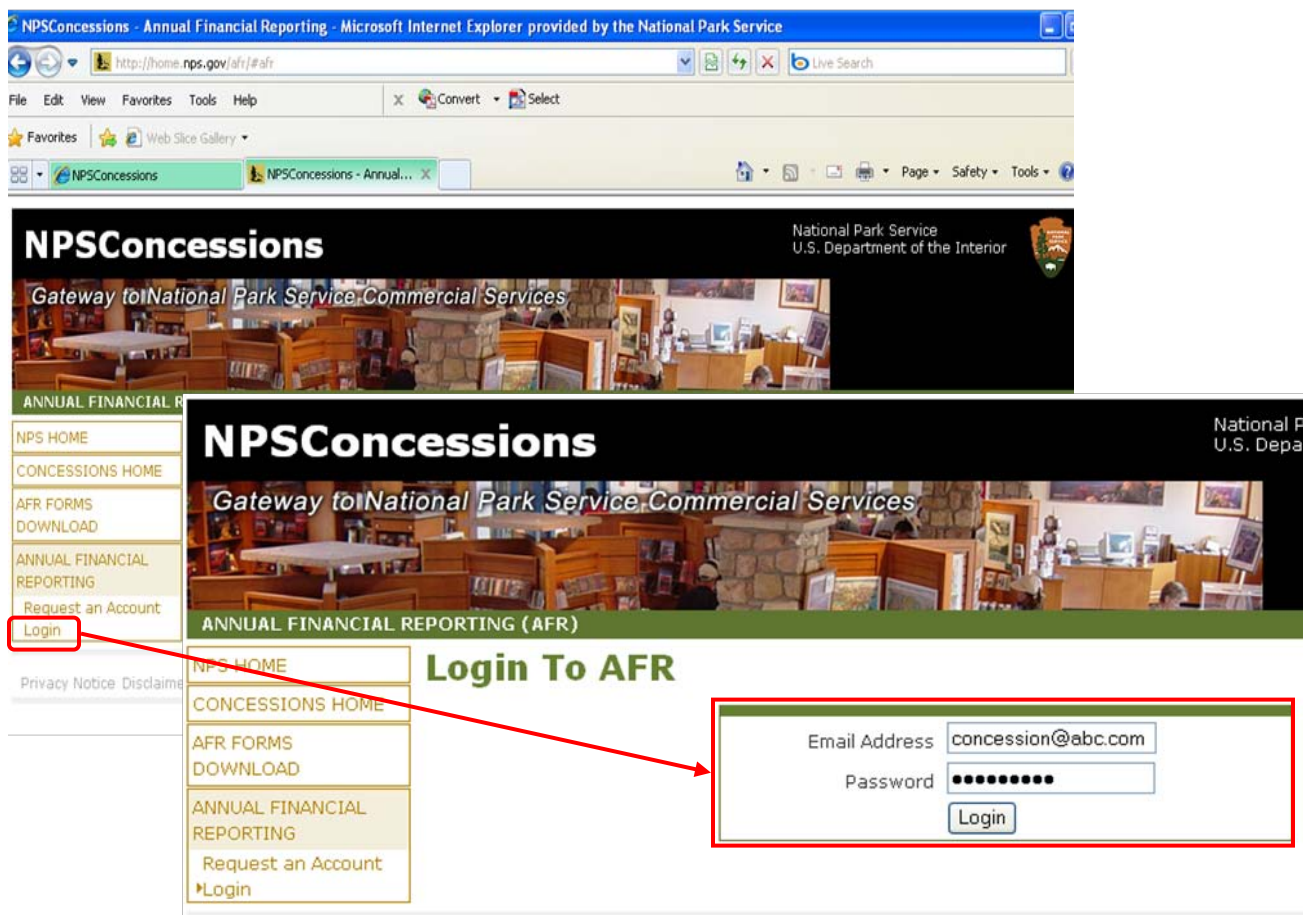

### 7.3 Accessing NPS AFR Website

There are 3 ways to access the AFR Website:

1. Click on the blue link at the bottom of the submit page in your AFR
2. Use your web browser to access the NPS AFR website using this link <http://home.nps.gov/afr/>
3. Click on the “Login” link from the Concessions AFR webpage where you downloaded your forms.

In the menu on the left side, click “Login.” You must have received an email notification from the NPS letting you know your account has been activated before you can submit your AFR files. If you have not created your AFR website account yet, see page 5 of this guide. Enter your email address and password to login; see below.

## 7.4 Uploading the AFR Report and Supplemental Files

1. Once you login, you will see a screen that shows your previous AFR Submissions. To upload the AFR Prepared Data file and other files you generated previously, click either “**New Financial Report**” at the top of the page or “**Submit AFR**” on the left.

2. To upload your AFR, click the “**Browse**” button and navigate to the folder where you saved your AFR Prepared Data file.

### Annual Financial Report

ConcID  
Reporting Period Begin Date  
Reporting Period End Date

1. Upload an Annual Financial Report (.xml)  
2. Upload Schedule K, Schedule F, Opinion Letter, Financial Statements, or other supporting documents (.pdf, .doc, .xls)

Upload a file  **Browse...**

3. Open the folder, select the prepared data file [looks like “PreparedData-S\_(BUFF009\_2009-07-23).xml”], and click “**Open.**”

Choose File to Upload

Look in: Annual Financial Reports

- PreparedData-S\_(BUFF009\_2009-07-23)
- Sched O
- PreparedData-L\_(BADL001\_2009-11-05)**

File name: PreparedData-L\_(BADL001\_2009-11-05)  
Files of type: All Files (\*.\*)

**Open**  
Cancel

4. If there are additional files that you would like to upload (like a CPA letter, audited or reviewed financial statements, extended Schedule K or Financial Notes), click the “**More**” button. (If you are ready to send the AFR to the NPS without additional documents, skip to step 5.) When you click the “**More**” button, information about the first file you uploaded will appear and the text “Upload Schedule K, Schedule F, Opinion Letter, Financial Statements, or other supporting documents” will show in bold.

To upload another document, click “**Browse**” again and repeat step 3. Repeat these steps for each additional document you need to upload, then move on to step 5.

ConcID NACC004

Reporting Period Begin Date Jan 1, 2008

Reporting Period End Date Dec 31, 2008

1. Upload an Annual Financial Report (.xml)

2. Upload Schedule K, Schedule F, Opinion Letter, Financial Statements, or other supporting documents (.pdf, .doc, .xls)

Upload complete: N:\CPC\Accounting\AFRs\08 web AFRs\08 web AFRs\Submitted Long Forms\PreparedData-L\_(NACC004\_2009-08-14).xml

Upload a file

5. After adding each document that you need to upload, click the “**Finished**” button to complete the upload. If the upload was successful you should see the message: "Your Annual Financial Report has been submitted. Thank you for your submission. You should receive an email confirming your submittal within 48 hours. If you do not receive it, please send an email to [afr\\_submission@nps.gov](mailto:afr_submission@nps.gov) and let them know.”

## 7.5 Submitting Additional Files After the AFR Upload is Complete

The AFR website allows you to upload additional files after your AFR has been uploaded, which can be helpful if you've forgotten to submit something or the NPS requests additional supporting information. To do so, first login to the AFR website as detailed in section 7.3 above. You will see the Submission Log:

ConcID	User	Uploaded On	Attachments
GRCA017	Emily Backus	7/23/09 1:44 PM 0	

Click on the Edit button to the right of the Annual Financial Report that corresponds with the additional documents you are uploading. The same uploading screen will appear as when you originally uploaded your AFR. Follow steps 4 and 5 above to complete the upload of the additional files.

## 8 Wrap Up

Once you have saved and submitted your completed AFR Long Form, it is recommended you create a backup file of your data. You can use either data diskettes or CD-ROM to archive your Long Form. Generally, you simply insert either the diskette or CD and save the AFR Long Form or Long Form to the new location.

The National Park Service is committed to the development of a streamlined AFR reporting process. Your feedback is an important part of this effort. If you encounter difficulties in completing the AFR Long Form, or would like to provide feedback, please do not hesitate to contact the park individual responsible for concession matters. If necessary, the regional or Washington office will also be available.
