INSTRUCTIONS FOR COMPLETING THE INDIVIDUAL CHARACTERISTICS FORM (ICF), ETA 9061. This form is used together with IRS Form 8850 to help state workforce agencies (SWAs) determine eligibility for the Work Opportunity Tax Credit (WOTC) Program. The form may be completed, on behalf of the applicant, by: 1) the employer or employer representative, the SWA, a participating agency, or by 2) the applicant directly (if a minor, the parent or guardian must sign the form) and signed by the individual completing the form. This form is required to be used, without modification, by all employers (or their representatives) seeking WOTC certification.

Boxes 1 and 2. SWA. For agency use only.

- Boxes 3-5. **Employer Information.** Enter the name, address including ZIP code, telephone number, and employer Federal ID number (EIN) of the employer requesting the certification for the WOTC. Do not enter information pertaining to the employer's representative, if any.
- Boxes 6-11. **Applicant Information.** Enter the applicant's name and social security number as they appear on the applicant's social security card. In Box 8, indicate whether the applicant previously worked for the employer, and if Yes, enter the last date or approximate last date of employment. This information will help the "48-hour" reviewer to, early in the verification process, eliminate requests for former employees and to issue denials to these type of requests, or certifications in the case of "qualifying rehires" during valid "breaks in employment" (see pages III-12 and III-13, Nov. 2002, Third Ed., ETA Handbook 408) during the first year of employment.
- Boxes 12-21. Applicant Characteristics. Read questions carefully, answer each question, and provide additional information where requested.

Sources to Document Eligibility. The applicant or employer is requested to provide documentary evidence to substantiate the YES answers on page 1. List or describe the documentary evidence that is attached to the ICF or that will be provided to the SWA. Indicate in parentheses next to each document listed whether it is attached (A) or forthcoming (F). Some examples of acceptable documentary evidence are provided below. A letter from the agency that administers a relevant program may be furnished specifically addressing the question to which the applicant answered YES. For example, if an applicant answers YES to either question in Box 14 and enters the name of the primary recipient and the city and state in which the benefits were received, the applicant could provide a letter from the appropriate Food Stamp agency stating to whom Food Stamp benefits were paid, the months for which they were paid, and the names of the individuals included on the grant for each month. SWAs will use this box to document the sources used when verifying target group eligibility, followed by their initials and the date the determination was completed.

Examples of Documentary Evidence and Collateral Contacts. Employers/Consultants: You may check with your SWA to find out what other sources you can use to prove target group eligibility. (You are encouraged to provide copies of documentation or names of collateral contacts for each question for which you answered **YES.**)
