REQUIRED DATA ELEMENTS FOR ELECTRONIC AND PAPER PHARMACY BILLS

GENERAL INFORMATION: Claims under the Federal Employees' Compensation Act (FECA) (5 USC 8101 *et seq.*) are for employment-related illness or injury. Claims filed under the Energy Employees Occupational Illness Compensation Program Act (EEOICPA) (42 USC 7384 *et seq.*) are for occupational illnesses defined under that Act. Claims under the Black Lung Benefits Act (BLBA) (30 USC 901 *et seq.*) are for Black Lung Disease as defined under that Act. Benefits provided under all three of these statutes include medicinal drugs that are prescribed for the treatment of covered injuries or occupational illnesses.

FEES: The Department of Labor's Office of Workers' Compensation Programs (OWCP) is the responsible party for payment of bills submitted by pharmacies providing prescribed medicinal drugs to claimants eligible under FECA, EEOICPA and BLBA. OWCP uses a drug-specific fee schedule based on the average wholesale price plus a dispensing fee when it pays these bills. Schedule limits are applied using an automated billing system based on the identification of drugs using the National Drug Code (NDC) number; thus, use of correct codes is required. Incorrect code usage will result in inappropriate or delayed payment. For specific information about schedule limits, call the OWCP program office with jurisdiction over the claim.

SIGNATURE OF PROVIDER: Your signature indicates your agreement to accept the charge determination for medicinal drugs you have dispensed as payment in full, and indicates your agreement not to seek payment from the patient of any amounts not paid as the result of the application of OWCP's fee schedule (appeals are allowed). Your signature also indicates that the drugs listed on your bill were provided, and that the billing information you have submitted is complete and accurate. Finally, your signature indicates your understanding that any false claims, statements or documents, or concealment of a material fact, may be prosecuted under applicable Federal or State laws.

PAPER BILL SUBMISSION: Send paper pharmacy bills to the Central Mailroom, P.O. Box 8300, London, KY 40742, unless otherwise instructed.
