## Qualified Product Information Form for Roof Products Office of Atmospheric Programs

**ENERGY STAR® product information form for use by ENERGY STAR qualified roof products partners  
(Companies who have joined ENERGY STAR for roof products by signing a Partnership Agreement)**

*You may use this form to report only those products that are sold under the company's brand name. If your firm sells its models to another company that uses its own brand name, that company must join ENERGY STAR and report its own products. Information from this form will be added to the list of ENERGY STAR qualified roof products. Please copy this form and return one for each qualifying product to the address or fax number below. **Note: Testing documentation is a requirement of ENERGY STAR and must accompany this QPI form.***
