Attachment C - Listing of Rural Libraries

Applicant:	
Project Title:	

In the table below list each rural libary to be served by the project. Then provide the name of the community, or other area, where the rural library is located, the population of that community per the 2000 Census, the state and county where the library and community are located, and finally the name of the proposed funded service area which the rural library is located within.

Name of Rural Library	Community/ Area Name	Community Population (per 2000 census)	State	County	* Proposed Funded Service Area Name

* please ensure that the proposed funded service area name listed on the chart above is consistent with the proposed funded service area name assigned in your Round 1 or Round 2 application.
