Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget (OMB) control number.

In General: The Affirmative Fair Housing Marketing (AFHM) Plan is used to ensure that insured and subsidized multifamily housing projects are taking necessary steps to eliminate discriminatory practices and to overcome the effects of past discrimination involving Federally insured and subsidized housing. No application for any housing project insured or subsidized under the Department of Housing and Urban Development's (HUD) housing programs shall be funded without a HUD approved AFHM Plan (See the "Applicability" section in the instructions below.) Multifamily housing projects must have an updated AFHM Plan in effect for the life of HUD's mortgage insurance. The responses are required to obtain or retail benefits under the Fair Housing Act, Section 808(e)(5) & (6) and 24 CFR Part 200, Subpart M. The form contains no questions of a confidential nature.

Applicability: This form is to be completed by all insured or subsidized: multifamily housing projects.

Each applicant is required to carry out an affirmative program to attract prospective tenants of all minority and non-minority groups in the housing market area regardless of their race, color, religion, sex, national origin, disability or familial status, (24 CFR 200.620). Racial groups include White, Black or African American, American Indian or Alaska Native, Asian, Native Hawaiian or Other Pacific Islander. Other groups in the housing market area who may be subject to housing discrimination include, but are not limited to, Hispanic or Latino, persons with disabilities, families with children, or persons with different religious affiliations. The applicant shall describe in the AFHM Plan the proposed activities to be carried out during advance marketing, where applicable, and during all rent ups. The affirmative marketing program also should ensure that any group(s) of persons ordinarily **not** likely to apply for this housing without special outreach (See Part 3), know about the housing, feel welcome to apply, and have the opportunity to rent.
