

Non-substantive Change Request

Survey of State Research & Development

0607-0933

The number of respondents and annual burden hours requested in the recently approved ICR for this information collection were incorrectly stated. The Supporting Statement shows the correct numbers. However, incorrect numbers were entered into ROCIS.

The correct numbers, as shown in Question 12 of the Supporting Statement are:

Number of Respondents	552
-----------------------	-----

Annual Burden Hours	958
---------------------	-----
