

APPLICATION FOR SEARCH OF CENSUS RECORDS

IMPORTANT INFORMATION

PLEASE READ AND FOLLOW CAREFULLY

This application is for use in requesting a search of census records.* Copies of these census records often are accepted as evidence of age, citizenship, and place of birth for employment, social security benefits, insurance, and other purposes.

If the applicant is located, an official transcript will be provided including the following information:

The U.S. Census Bureau's records are arranged according to the address at the time of the census. Censuses are taken primarily for statistical, not legal, purposes. Attention is called to the possibility that the information shown in the census record may not agree with that given in your application. **The record must be copied exactly as it appears on the census form.** The U.S. Census Bureau CANNOT make changes even though it realizes that enumerators may have been misinformed or made mistakes in writing down the data they collected. Those agencies that accept census transcripts as evidence of age, relationship, or place of birth usually overlook minor spelling differences but would be reluctant to consider a record that was changed years later at an applicant's request.

If you authorize the U.S. Census Bureau to send your record to someone other than yourself, you must provide the name and address, including ZIP Code, of the other person/agency.

Birth certificates, including delayed birth certificates, are **not issued** by the U.S. Census Bureau. You can obtain the birth certificate from the Health Department or the Department of Vital Statistics of the state in which the applicant was born.

The average time it should take you to fill out the BC-600, "Application for Search of Census Records", including the time spent reading instructions is 12 minutes.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Paperwork Project 0607-0117, U.S. Census Bureau, 4600 Silver Hill Road, AMSD-3K138, Washington, D.C. 20233. You may e-mail comments to Paperwork@census.gov; use "Paperwork Project 0607-0117" as the subject.

Respondents are not required to respond to any information collection unless it displays a valid approval number from the Office of Management and Budget. This 8-digit number appears in the top right corner of page 3 of this form.

* Information from 1930 and earlier censuses is public information and is available from the National Archives.

The completed application should be mailed to the U.S. Census Bureau, P.O. Box 1545, Jeffersonville, IN 47131, together with a money order or check payable to "Commerce-Census."

1. Purpose

The purpose for which the information is desired must be shown so that a determination may be made under 13 U.S.C. 8(a) that the record is required for proper use. For proof of age, most agencies require documents closest to date of birth; therefore we suggest you complete information for the EARLIEST CENSUS AFTER DATE OF BIRTH.

processing time is 3 to 4 weeks. The fee covers return postage of your search results by regular mail. You do not need to include a return envelope for normal processing. For an additional fee of \$20 the search can be completed in one business day after we receive it. If you want your search results returned to you by express mail you must include a self-addressed, prepaid express mail envelope with your application. You may also submit your application by express mail for faster service.

2. Signature

Each application requires a signature. The signature should be the same as that shown on the line captioned "full name of person whose census record is requested." When the application is for a census record concerning another person, the requester must sign the application, and the authority of the requester must be furnished as stated in instruction 3 below. If signed by marking (X), please indicate the name of the person whose mark it is and have witnesses sign as instructed. IF SIGNATURE IS PRINTED, please indicate that is the usual signature.

No more than one census will be searched and the results furnished for one fee. Should it be necessary to search more than one census to find the record, you will be notified to send another fee before another search is made. Tax monies are not available to furnish the information. **If a search has been made, the fee cannot be returned even if the information is not found.**

3. Confidential information given to other than person to whom it relates

(a) Census information is confidential and ordinarily will not be furnished to another person unless the person to whom it relates authorizes this in the space provided or if there is other proper authorization as indicated in 3(b), 3(c), and 3(d).

5. Full schedules

The full schedule is the complete one-line entry of personal data recorded for that individual ONLY. The names of other persons will not be listed. If the applicant specifies "full schedule," the Census Bureau will furnish, in addition to the regular transcript, whatever other information appears on the named person's record in the original schedule, but only for THAT PERSON. In this case the information is typed on a facsimile of the original census schedule and verified as a true copy. There is an additional charge of \$10.00 for EACH full schedule requested.

(b) Minor children – Information regarding a child who has at this time not reached the legal age of 18 may be obtained upon the written request of either parent or guardian.

The Census Bureau also will provide "full schedule" information for those other members of the same household for whom authorizations are furnished. (See Instruction 3 for authorization requirements). A fee of \$10.00 is required for each person listed on the full schedule.

(c) Mentally incompetent persons – Information regarding persons who are mentally incompetent may be obtained upon the written request of the legal representative, supported by a certified copy of the court order naming such legal representative.

LIMITATIONS – Certain information, such as place of birth, citizenship, and occupation, is available only for census years 1910 through 1950. Full schedule information is not available for census years 1970, 1980, 1990, and 2000.

(d) **Deceased persons – If the record requested relates to a deceased person, the application MUST be signed by (1) a blood relative in the immediate family (parent, brother, sister, or child), (2) the surviving wife or husband, (3) the administrator or executor of the estate, or (4) a beneficiary by will, or insurance. IN ALL CASES INVOLVING DECEASED PERSONS, a certified copy of the death certificate MUST be furnished, and the relationship to the deceased MUST be stated on the application. Legal representatives MUST also furnish a certified copy of the court order naming such legal representatives; and beneficiaries MUST furnish legal evidence of such beneficiary interest.**
