DAS may be leased only through the end of the current fishing year and must be used in accordance with the regulations found at 50 CFR 648.82(k). Please see a summary of conditions and restrictions on the reverse side of this form.

NOTE: Lessee's ability to receive leased DAS may be affected by the availability of DAS held by lessor. Leasing DAS subsequent to a negative DAS balance will not compensate for the negative balance. DAS leasing baselines may differ from the NE multispecies permit baseline used for vessel replacements. DAS leasing baseline information is available at www.nero.noaa.gov/amend13/das_baseline.htm
The maximum number of DAS that can be leased has been eliminated

This form is required to obtain approval for the leasing of DAS under 50 CFR 648.82(k) and to monitor DAS allocation and usage for limited access NE multispecies permit holders. Signature of this form certifies that permit holders comply with limited access permit requirements specified in 50 CFR 648.4, and that the information provided on this form is true, complete and correct to the best of their knowledge, and made in good faith (18 U.S.C. 1001). Making a false statement on this form is punishable by law.
