 The Sanitation Facilities Construction Program of the Indian Health Service (IHS)

DSFC Customer Service

Customer service is the theme that guides our efforts to serve you. Our service mission is the cooperative development and continuing operation of safe water, wastewater, and solid waste systems. We are committed to improving our services by listening to you. In addition, we are committed to listening to our field staff and their views on customer service. Through a strong culture of customer service, we will achieve our mission. Service is the spirit of IHS SFC.
