# Add Statewide Partnership

Program Information | Resources | Surveillance | Work Plan | Evaluation

Personnel | Contracts | Partners | **Statewide Partnership** | State Plan | Program Documents

[Help](#) [Log out](#)

2009 - 2010 Resources

\* Required

Add Statewide Partnership Last Updated: 08/26/2009

**\* Structure of Statewide Partnership:**

Is there a state coalition?  Yes  No

Are there in-state regional coalitions?  Yes  No

Are there local coalitions?  Yes  No

Is there a statewide advisory group or committee?  Yes  No

Is there an internal Department of Health team that addresses asthma across programs?  Yes  No

Is there an interdepartmental team that addresses asthma across state departments/units?  Yes  No

**\* Role of State Asthma Program Staff within Partnership Structure:**

Characters: 0000 / Maximum: 3000

**\* Number of Organizations, Agencies, or Programs Represented:**

**\* Number of Individuals Included:**

**Geographic Location of Partners within State:**  Enter filename or click Browse button.   
(For example, map or description of geographic location. Upload Word or PDF file. Size cannot exceed 10MB.)

**\* Location of State Asthma Program within Health Department:**

Chronic Disease Prevention/Control OR Health Promotion OR Health Education

Environmental Health

Environmental/Occupational Health

Other (specify):

**\* State-Based Programs, Agencies or Associations within State:**

Chronic Disease Prevention/Control OR Health Promotion OR Health Education?  Yes  No  Don't Know

Coordinated School Health Program?  Yes  No  Don't Know

Environmental Health?  Yes  No  Don't Know

Environmental Public Health Tracking?  Yes  No  Don't Know

Maternal and Child Health?  Yes  No  Don't Know

Occupational Health?  Yes  No  Don't Know

State Department of Education?  Yes  No  Don't Know

State Hospital Association?  Yes  No  Don't Know

State Medicaid Office?  Yes  No  Don't Know

State Medicare Office?  Yes  No  Don't Know

Tobacco Prevention/Control?  Yes  No  Don't Know

**Types of Partners to be Recruited:** Select up to three types of partners.

General

Acute Care Facilities

Business

Community Clinics / Federally Qualified Health Center (FQHC)

Community / Neighborhood Organization

Day Care / Preschool / Head Start Centers / Other Child Service Agency

Other:

**Describe Approach for Establishing New or Sustaining Existing Partnerships:**

Characters: 0000 / Maximum: 2500

**Other CDC Funded Programs within Your State:**

Environmental Public Health Tracking Program

State-Based Occupational Safety and Health Surveillance

Coordinated School Health Program (CDC Division for Adolescent and School Health)

Other asthma program funded by CDC Division for Adolescent and School Health

Healthy Homes

Prevention Research Centers (CDC Division for Adult and Community Health)

**Collaboration with Other CDC Funded Programs:**

Environmental Public Health Tracking Program

State-Based Occupational Safety and Health Surveillance

Coordinated School Health Program (CDC Division for Adolescent and School Health)

Other asthma program funded by CDC Division for Adolescent and School Health

Healthy Homes

Prevention Research Centers (CDC Division for Adult and Community Health)

Other (specify):

**If you are not collaborating with the CDC Funded Programs available in your state, please explain why.**

2009 - 2010 Work Plan

**Add Goal**

Display: All Goals [Go]

**Intervention Goal Statement:** Increase number of access to care policies developed during the national and state 2008- 2010 election season by partnering with ACS to promote their Access to Healthcare campaign from 10 to 15 by June 2011.

**Related Work Plan Goal:**  Goal One  Goal Two  Goal Three

**Related State Asthma Plan Goal:**    
Characters: 0000 / Maximum: 500

**Rationale for Selecting Intervention:**  Strong partner preferences existed for this intervention  Gaps identified that needs to be addressed (not identified through surveillance)  Other (specify)   
Other:

**Implementation Strategy:**  Operating procedures (SOP)  Environmental assessment and/or remediation  Case management and/or care coordination  Other (specify)   
Other:

**Measure**

**Direction of Change:** Select One

**Unit of Measurement:** Select One

**What will be Measured:**  Quality of Life  School/Work Days Missed  Self Management  Other (specify)   
Other:

**Baseline:**

**Target:**

**Primary Data Source:** Select One

**Intervention Recipient**

**Type:**  Coach/Physical Education Teacher  Custodial Staff  Nurse/Health Aide  Teacher   
Health Care Providers:

**Location:**  Rural  Urban  Suburban

**Intervention Beneficiary**

**Population:**  General Population  Targeted Population

**Age:**  Individuals ages 13-18 years with asthma  Individuals ages 19-64 years with asthma  Individuals ages 65 or more years with asthma

**Geography:**  Rural Area  Suburban Area  Other (specify)   
Other:

**Socioeconomic Status:**  Low Income  Low Literacy

**Gender:**  Male  Female

**Race:**  Native Hawaiian or Other Pacific Islander  White  All Other Races

**Ethnicity:**  Hispanic or Latino  Not Hispanic or Latino

**Is this targeted population disparate?**  Yes  No

**Setting:**  Place of Worship  Schools (K - 12)  Workplace  Other (specify)   
Other:

**Priority Messages:**  Asthma Severity  Asthma Control  Follow up Visits  Allergen and Irritant Exposure Control

**Contextual Factors that Pose Barriers:**  Partnership  Political  Contracts/Grants  Other (specify)   
Other:

**Describe these Barrier Factors:**    
Characters: 0000 / Maximum: 1000

**Contextual Factors that Facilitate Success:**  Partnership  Political  Contracts/Grants  Other (specify)   
Other:

**Describe these Facilitation Factors:**    
Characters: 0000 / Maximum: 1000

**Funding:** Select One
