Special California Earthquake Co-operative Agreement

The San Francisco, California Regional Office of the Department of Labor's Office of Assistant Secretary for Administration and Management (OASAM), Region IX of OASAM, has entered into a reciprocal agreement with the U.S. Internal Revenue Service's Office of the Regional Counsel located in San Francisco. The purpose of this reciprocal agreement is to provide each with an alternative off-site location to store computer data. This back-up storage capacity will mitigate damage if an earthquake ever occurs in the San Francisco area. This agreement is based upon the fact that the respective offices of the participants are located at opposite ends of the downtown San Francisco district and the ground structure of the two areas is substantially different.

Addresses to Which Requests May Be Directed

The addresses of the various component units of the Department as well as its regional offices are contained in the Appendix annexed to this document.

**AUTHORITY FOR MAINTENANCE OF THE SYSTEM:**

5 U.S.C. 8101 *et seq.*, 20 CFR 1.1 *et seq.*

**PURPOSE(S):**

The FECA establishes the system for processing and adjudicating claims that federal employees and other covered individuals file with the Department of Labor's OWCP, seeking monetary, medical and similar benefits for injuries or deaths sustained while in the performance of duty. The records maintained in this system are created as a result of and are necessary to this process. The records provide information and verification about the individual's employment-related injury and the resulting disabilities and/or impairments, if any, on which decisions awarding or denying benefits provided under the FECA must be based.

**ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:**

In addition to those Department-wide routine uses set forth above in the

General Prefatory Statement to this document, disclosure of information from this system of records may be made to the following individuals and entities for the purposes noted when the purpose of the disclosure is both relevant and necessary and is compatible with the purpose for which the information was collected:

a. To any attorney or other representative of a FECA beneficiary for the purpose of assisting in a claim or litigation against a third party or parties potentially liable to pay damages as a result of the FECA beneficiary's FECA-covered injury and for the purpose of administering the provisions of sections 8131-8132 of the FECA. Any such third party, or a representative acting on that third party's behalf, may be provided information or documents concerning the existence of a record and the amount and nature of compensation paid to or on behalf of the FECA beneficiary for the purpose of assisting in the resolution of the claim or litigation against that party or administering the provisions of sections 8131-8132 of the FECA.

b. To federal agencies that employed the claimant at the time of the occurrence or recurrence of the injury or occupational illness in order to verify billing, to assist in administering the FECA, to answer questions about the status of the claim, to consider rehire, retention or other actions the agency may be required to take with regard to the claim or to permit the agency to evaluate its safety and health program. Disclosure to federal agencies, including the Department of Justice, may be made where OWCP determines that such disclosure is relevant and necessary for the purpose of providing assistance in regard to asserting a defense based upon the FECA's exclusive remedy provision to an administrative claim or to litigation filed under the Federal Tort Claims Act.

c. To other federal agencies, other government or private entities and to private-sector employers as part of rehabilitation and other return-to-work programs and services available through OWCP, where the entity is considering hiring the claimant or where otherwise necessary as part of that return-to-work effort.

d. To federal, state or private rehabilitation agencies and individuals to whom the claimant has been referred for evaluation of rehabilitation and possible reemployment.

e. To physicians, pharmacies, and other health care providers for their use in treating the claimant, in conducting an examination or preparing an evaluation on behalf of OWCP and for

other purposes relating to the medical management of the claim, including evaluation of and payment for charges for medical and related services and supplies.

f. To medical insurance or health and welfare plans (or their designees) that cover the claimant in instances where OWCP had paid for treatment of a medical condition that is not compensable under the FECA, or where a medical insurance plan or health and welfare plan has paid for treatment of a medical condition that may be compensable under the FECA, for the purpose of resolving the appropriate source of payment in such circumstances.

g. To labor unions and other voluntary employee associations from whom the claimant has requested assistance for the purpose of providing such assistance to the claimant.

h. To a federal, state or local agency for the purpose of obtaining information relevant to a determination concerning initial or continuing eligibility for FECA benefits, and for a determination concerning whether benefits have been or are being properly paid, including whether dual benefits that are prohibited under any applicable federal or state statute are being paid; and for the purpose of utilizing salary offset and debt collection procedures, including those actions required by the Debt Collection Act of 1982, to collect debts arising as a result of overpayments of FECA compensation and debts otherwise related to the payment of FECA benefits.

i. To the Internal Revenue Service (IRS) for the purpose of obtaining taxpayer mailing addresses for the purposes of locating a taxpayer to collect, compromise, or write-off a federal claim against such taxpayer; and informing the IRS of the discharge of a debt owed by an individual. Records from this system of records may be disclosed to the IRS for the purpose of offsetting a federal claim from any income tax refund that may be due to the debtor.

j. To the Occupational Safety and Health Administration (OSHA) for the purpose of using injury reports filed by Federal agencies pursuant to the FECA to fulfill agency injury reporting requirements. Information in this system of records may be disclosed to OSHA by employing agencies as part of any MIS system established under OSHA regulations to monitor health and safety.

Should such a disclosure be made to the contractor, the individual or entity making such disclosure shall insure that the contractor complies fully with all Privacy Act provisions, including those prohibiting unlawful disclosure of such information.

l. To the Defense Manpower Data Center—Department of Defense and the United States Postal Service to conduct computer matching programs for the purpose of identifying and locating individuals who are receiving Federal salaries or benefit payments and are delinquent in their repayment of debts owed to the United States under programs administered by the DOL in order to collect the debts under the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365) by voluntary repayment, or by salary or administrative offset procedures.

m. To a credit bureau for the purpose of obtaining consumer credit reports identifying the assets, liabilities, expenses, and income of a debtor in order to ascertain the debtor's ability to repay a debt incurred under the FECA, to collect the debt, or to establish a payment schedule.

n. To consumer reporting agencies as defined by section 603(f) of the Fair Credit Reporting Act (15 U.S.C. 1681a(f)) or in accordance with section 3(d)(4)(A)(ii) of the Federal Claims Collection Act of 1966 as amended (31 U.S.C. 3711(f)) for the purpose of encouraging the repayment of an overdue debt, the amount, status and history of overdue debts, the name and address, taxpayer identification (SSN), and other information necessary to establish the identity of a debtor, the agency and program under which the claim arose, may be disclosed pursuant to 5 U.S.C. 552a(b)(12)

o. To a Member of Congress or to a Congressional staff member in response to an inquiry made by an individual seeking assistance who is the subject of the record being disclosed for the purpose of providing such assistance.

**Note:** Disclosure of information contained in this system of records to the subject of the record, a person who is duly authorized to act on his or her behalf, or to others to whom disclosure is authorized by these routine uses, may be made over the telephone or by electronic means. Disclosure over the telephone or by electronic means will only be done where the requestor provides appropriate identifying information. **POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING AND DISPOSING OF RECORDS IN THE SYSTEM:**

**STORAGE:**

Paper case files are maintained in manual files, while security case files are in locked cabinets. Automated data, including case files that have been transformed into electronic form, are stored in computer discs or magnetic tapes, which are stored in cabinets. Microfiche is stored in cabinets.

**RETRIEVABILITY:**

Files and automated data are retrieved after identification by coded file number and/or Social Security Number which is cross-referenced to employee by name, employing establishment, and date and nature of injury. Since the electronic

case management files were created in 1975, these electronic files are located in District Offices which have jurisdiction over the claim, and (as noted above under "system location"), a complete central data base is maintained at the location of the contractor. Prior to 1975, a paper index file was maintained; these records were transferred to microfiche and are located in the national office.

**SAFEGUARDS:**

Files and automated data are maintained under supervision of OWCP personnel during normal working hours—only authorized personnel, with the appropriate password, may handle, retrieve, or disclose any information contained therein. Only personnel having an appropriate security clearance may handle or process security files. After normal working hours, security files are kept in locked cabinets. Access to electronic records is controlled by password or other user identification code.

**RETENTION AND DISPOSAL:**

All case files and automated data pertaining to a claim are destroyed 15 years after the case file has become inactive. Case files that have been scanned to create electronic copies are destroyed after the copies are verified. Automated data is retained in its most current form only, however, and as information is updated, outdated information is deleted. Some related financial records are retained only in electronic form, and destroyed 6 years and 3 months after creation or receipt.
