SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

The Coast Guard invites comments on whether this ICR should be granted based on the collections being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of information subject to the collections; and (4) ways to minimize the burden of the collections on respondents, including the use of automated collection techniques or other forms of information technology.

We encourage you to respond to this request by submitting comments and related materials. We will post all comments received, without change, to <http://www.regulations.gov>. They will include any personal information you provide. We have an agreement with DOT to use their DMF. Please see the "Privacy Act" paragraph below.

Submitting comments: If you submit a comment, please include the docket number [USCG-2010-0030], indicate the specific section of the document to which each comment applies, providing a reason for each comment. We recommend you include your name, mailing address, an e-mail address, or other contact information in the body of your document so that we can contact you if we have questions regarding your submission. You may submit your comments and material by electronic means, mail, fax, or delivery to the DMF at the address under ADDRESSES; but please submit them by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8-1/2 by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and will address them accordingly.

Viewing comments and documents: Go to <http://www.regulations.gov> to view documents mentioned in this Notice as being available in the docket. Click on the "read comments" box, which will then become highlighted in blue. In the "Keyword" box insert "USCG-2010-0030" and click "Search." Click the "Open Docket Folder" in the "Actions" column. You may also visit the DMF in room W12-140 on the West Building Ground Floor, 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Privacy Act: Anyone can search the electronic form of all comments received in dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review the Privacy Act statement regarding our public dockets in the January 17, 2008 issue of the Federal Register (73 FR 3316).

Information Collection Request

Title: Great Lakes Pilotage.

OMB Control Number: 1625-0086.

Summary: The Office of Great Lakes Pilotage is seeking an extension of OMB's approval for Great Lakes Pilotage data collection requirements for the three U.S. pilot associations it regulates. This extension would require continued submission of data to an electronic collection system. This system is identified as the Great Lakes Electronic Pilot Management System which will eventually replace the manual paper submissions currently used to collect data on bridge hours; vessel delay, detention, cancellation, and moveage; pilot travel; revenues; pilot availability; and related data. This extension ensures the required data is available in a timely manner and allows immediate accessibility to data crucial from both an operational and rate-making standpoint.

Need: To comply with the statutory and regulatory requirements respecting the rate-making and oversight functions imposed upon the agency.

Forms: None.

Respondents: The three U.S. pilot associations regulated by the Office of Great Lakes Pilotage.

Frequency: Daily.

Burden Estimate: The estimated burden remains the same at 18 hours a year.

Dated: February 4, 2010.

M.B. Lytle,
Captain, U.S. Coast Guard, Acting Assistant Commandant for Command,
Control, Communications, Computers and Information Technology.
