10. COMMENTS: _____

INTRODUCTION: This application is offered as an *optional* replacement or supplement to submitting a cover letter. This application is intended to: simplify the plan submission process among industry, simplify the review process among Coast Guard personnel, and promote a standardized procedure in an attempt to lessen the amount of time required for the review process. When submitted properly, this application meets the requirement for a Vessel Response Plan certification statement as required by 33 CFR 155.1065(b). This application may be submitted with the plan(s) or revision(s) to the Vessel Response Plan Program (CG-3PCV-1) Room 2100, 2100 Second St. S.W. Washington, DC 20593-0001. To ensure Coast Guard receipt of your plan or revisions it is recommended that items be sent via trackable means such as a courier service or the Postal Service's Registered Mail system. This application may be submitted by facsimile to 202-372-1921 and electronic mail only if the total submission is no greater than **15 pages per week and less than 1.5 megabytes**. If this application is faxed or emailed and is intended to act as a valid certification statement, then a hard copy with an original signature must be mailed.
