NIMS Adoption Compliance Objectives

1. Adoption

Compliance Objective 1: Adopt NIMS by all State/Territorial Departments/Agencies; as well as promote and encourage NIMS adoption by associations, utilities, nongovernmental organizations (NGOs) and private sector emergency management and incident response organizations.

1.1 Has the State/Territory formally adopted, for Fiscal Year (FY) 2010, the National Incident Management System as its all-hazards incident management system?

- Yes
 No

What legal authority was used to formally adopt NIMS: [Check all that apply.]

- Executive Order
- Proclamation
- Resolution
- Legislation
- Other legal authority

When was NIMS formally adopted? [mm/dd/yyyy]

Notes:

1.2 Does the formal adoption of NIMS expire?

- Yes
 No

When? [mm/dd/yyyy]

Is there is a process for renewing/maintaining the formal adoption of NIMS?

- Yes
 No

If yes, how?

Notes:

1.3 Does the State/Territory promote NIMS adoption by associations, utilities, private sector, and nongovernmental organizations?

- Yes
 No

Notes:

NIMS Adoption Compliance Objectives

2. Communicate, Monitor and Implement all NIMS requirements across the State/Territory

Compliance Objective 2: Establish and maintain a planning process to communicate, monitor and implement all NIMS requirements across the State/Territory (including within Departments/Agencies), including local governments. This process must provide a means for measuring progress and facilitate reporting.

2.1 Has the State/Territory developed a planning process to communicate, monitor, and implement all NIMS compliance objectives to

State/Territorial Departments and Agencies?

- Yes
- No

If yes, does that planning process:

- Communicate required NIMS activities
- Monitor required NIMS activities
- Implement required NIMS activities
- Measure progress
- Facilitate reporting

Local Governments?

- Yes
- No

If yes, does that planning process:

- Communicate required NIMS activities
- Monitor required NIMS activities
- Implement required NIMS activities
- Measure progress
- Facilitate reporting

Associations, utilities, private sector, and nongovernmental organizations?

- Yes
- No

If yes, does that planning process:

- Communicate required NIMS activities
- Monitor required NIMS activities
- Implement required NIMS activities
- Measure progress
- Facilitate reporting

NIMS Adoption Compliance Objectives

3. Point of Contact

Compliance Objective 3: Designate and maintain a single point of contact within government to serve as principle coordinator for NIMS implementation jurisdiction-wide (to include principal coordinator for NIMS implementation within each Department/Agency).

3.1 Has State/Territory designated a single point of contact within the State/Territorial government with the authority to serve as the principal coordinator for overall statewide/ territory-wide NIMS implementation?

- Yes
- No

If "Yes," who has been designated?

Name of Designee	<input type="text"/>
Title of Designee	<input type="text"/>
Email Address of Designee	<input type="text"/>
Phone Number of Designee	<input type="text"/>
Street	<input type="text"/>
Street Continued	<input type="text"/>
City	<input type="text"/>
State Abbreviation (e.g. KY)	<input type="text"/>
Zipcode	<input type="text"/>
Date of designation	<input type="text"/> [mm/dd/yyyy]

Notes:

3.2 Have the appropriate State/Territory Departments/Agencies or those with emergency management and incident response responsibilities designated a single point of contact within each of the Departments/Agencies with the authority to serve as the principal coordinator for NIMS implementation?

- Yes
- No

Total number of State/Territorial Departments/Agencies (with emergency management and/or incident response responsibilities)?

Total Number of these State/Territorial Departments/Agencies that have designated a single point of contact?

Questions/Comments

Preparedness: Exercises Compliance Objectives

17. Plan and/or Participate in all-hazards exercise program

Compliance Objective 17: Plan for and/or participate in an all-hazards exercise program [for example, Homeland Security Exercise and Evaluation Program] that involves emergency management/response personnel from multiple disciplines and/or multiple jurisdictions.

17.1 Does the State/Territory plan for an all-hazards exercise program?

- Yes
- No

If yes, is the all-hazards exercise program multidisciplinary?

- Yes
- No

If yes, is the all-hazards exercise program multi-jurisdictional?

- Yes
- No

Notes:

17.2 Does the State/Territory participate in an all-hazards exercise program in FY 2010?

- Yes
- No

Is the all-hazards exercise program multidisciplinary?

- Yes
- No

Is the all-hazards exercise program multi-jurisdictional?

- Yes
- No

Which of the following NIMS components are evaluated through program exercises: (Check all that apply.)

- Preparedness
- Communication and Information Management
- Resource Management
- Command and Management
- Mutual Aid and Assistance
- Interoperability
- Participation of NGOs and Private Sector

Notes:

17.3 In FY 2010, will the State/Territory participate in all-hazards:

	Yes	No	N/A (not this year)
Drills	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Table-top Exercises	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Functional Exercises	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Full-scale Exercises	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Resource Management Compliance Objectives

24. Initiate development of State/Territory-wide credentialing system

Compliance Objective 24: Initiate preliminary design development of a State/Territory-wide system to credential emergency management/response personnel to ensure proper authorization and access to an incident, including those involving mutual aid agreements and/or assistance agreements.

24.1 Has the State/Territory initiated the preliminary design of a State/Territory-wide system to credential emergency management/response personnel?

- Yes
 No

If yes, what disciplines does the credential system encompass?

- Animal Health/ Rescue
- Emergency Management
- EMS
- Fire
- Hazardous Materials
- Incident Management
- Law Enforcement/ Public Safety
- Medical/Hospital
- Public Health
- Public Works
- Other

If yes, does the State/Territory credentialing conform to current NIMS national credentialing criteria and guidance? [Note: Credentialing should include the means for validating the identity, qualification, and deployment authorization that allows for the granting of access to an incident, including preparedness-related exercises and training activities.]

- Yes
 No

Questions/Comments

Command and Management Compliance Objectives

25. Manage incidents/planned events in accordance with ICS

Compliance Objective 25: Manage all incidents/ planned events in accordance with Incident Command System (ICS) organizational structures, doctrine and procedures. ICS implementation must include the consistent application of Incident Action Planning (IAP) and common communications plans, as appropriate.

25.1 Does the State/Territory implement ICS for all-hazards emergency management and incident response/planned events?

- Yes, for all incidents/planned events.
- No

If yes, does ICS implementation include the following concepts?

- Common Terminology
- Modular Organization
- Management by Objectives
- Incident Action Planning
- Manageable Span of Control
- Incident Facilities and Locations
- Comprehensive Resource Management
- Integrated Communications
- Establishment and Transfer of Command
- Chain of Command and Unity of Command
- Unified Command
- Accountability
- Dispatch/Deployment
- Information and Intelligence Management

Notes:

25.2 Does the State/Territory implement Incident Action Plans (IAPs) during incidents/planned events, as appropriate?

- Yes
- No

Notes:

25.3 Does the State/Territory implement common communication plans during incidents/planned events, as appropriate?

- Yes
- No

Command and Management Compliance Objectives

26. Multi-agency Coordination System

Compliance Objective 26: Coordinate and support emergency management and incident response activities through the development and use of integrated Multiagency Coordination System (MACS) [i.e., develop and maintain connectivity between local Incident Command Posts (ICP), local 911 Centers, local Emergency Operations Centers (EOCs), the State/Territorial EOC, and Regional and Federal EOCs and NRF organizational elements].

26.1 Does the State/Territory use integrated MACS, where appropriate, during incidents/planned events?

- Yes
 No

Which of the following primary functions is coordinated by a State/Territory MACS: [Check all that apply.]

- Situation assessment
- Critical resource acquisition and allocation
- Other State/Territory, Tribal Nation, Local, and Federal MACS
- Coordination with elected and appointed officials
- Coordination of summary information
- Incident priority determination
- Other functions
