Each site is required to submit an updated copy of the RCPT Charter to the Department of Homeland Security (DHS) as part of the FY 2009 Grant Application Package.

RCPT CHARTER REQUIREMENTS

The RCPT Charter should be developed in Microsoft Word and must address, at a minimum, the following topics:

- Purpose of the RCPT
- Goals and objectives for the RCPT (e.g., enhance collaboration between Public Health and Emergency Management)
- Membership (to include, at a minimum, a list of members, their associated jurisdictions, and disciplines)
- Expectations of members (e.g., time commitment, providing timely responses)
- Membership attendance policy
- Frequency of meetings (e.g., bi-weekly, monthly, bi-monthly, etc.)
- Governance structure (e.g., which members have the authority for what)
- Voting rights (e.g., how decisions will be made)

- Documentation and sharing of decisions (e.g., how decisions made at RCPT meetings will be documented and shared with RCPT members)
- Process for making changes to the charter

The RCPT Charter must be available to all RCPT members prior to submission to DHS to promote transparency in decision making related to RCPGP. Additionally, a new copy of the charter must be submitted to DHS after any updates.
