Other change**	<p>OME has reduced the total number of respondents from 50 to 48 because the states of Rhode Island and Connecticut are not actively operating programs at this time; in addition, the total number of burden hours has increased due to changes to the survey that require 1.25 hours to complete in place of 1 hour. Additional questions, suggested by the respondents have been added. Therefore, the number of requested hours has also been increased from 50 to 60. The discussed changes to the application are attached.</p>
