INSTRUCTIONS FOR FIRMS APPLYING FOR CERTIFICATION TO CONDUCT LEAD-BASED PAINT ACTIVITIES

Firms must apply to the U.S. Environmental Protection Agency (EPA) to be certified or re-certified to perform or offer to perform lead-based paint activities in states, U.S. territories, and all Indian tribal land(s) in any one EPA Region where EPA implements the lead-based paint certification program. If EPA does not administer the certification program in an area where a firm wishes to work, the firm must apply directly to that state, territory, or Indian tribe for certification.

These instructions supplement EPA form 8500-27 (Rev 09/04), *Application for Firms to Conduct Lead-Based Paint Activities*. Please note that you must use a separate form for each application type.

How to Apply for Initial Certification

Firms can submit their application and payment on-line or by mail. To apply for certification as a firm, you must:

- To submit an application on-line, go to the following website (<http://cdx.epa.gov>) and follow the instructions for applying on-line.
- To submit your application to EPA by mail:
 - Complete, sign, and date EPA form 8500-27 (Rev 09/04). The form can be filled out by hand or by using a fillable form on your computer (<http://www.epa.gov/lead/firmapp.pdf>).
 - Calculate the appropriate fee using the fees schedule listed on the inside front cover.
 - Print “*Lead Program User Fees*” on the check or money order for the fee and mail it with your application to the following address:

U.S. EPA
Lead Program User Fees
P.O. Box 360277M
Pittsburgh, PA 15251

How to Apply for Re-certification

Firms must be re-certified every three (3) years. To ensure that your firm will be re-certified before its current certification expires, you should submit a re-certification application well before the expiration date. If you apply after your certification expires, you must pay the full initial certification fee. For re-certification, complete all sections of the application and follow the mailing instructions described in the “Initial Certification” section of these instructions.

Amended Application

Amended applications must be sent to the following address:

U.S. EPA
P.O. Box 14417
Washington, DC 20044-4417

Replacement of a Certificate

To replace a certificate, complete only sections A (General Information), B (Applicant Information), and E (Certification Statement) of the application and follow the mailing instructions described in the "Initial Certification" section of these instructions.

Incomplete Application

If your application is incomplete, EPA will not process your application. If any components of your application are missing, your application will become inactive for a period not to exceed 30 days until the application is made complete. If you do not complete your application, EPA will return the application package. You may apply again with a complete package. Please call 1-800-424-LEAD to see if your application is complete.

Firms Completing Applications for Individuals

If the firm is assisting in completing applications for individuals who are applying for certification, please be aware of the following:

- Individual must have an address and phone number different from the firm's.
- Individual must sign and date the application.
- Individual's name, social security number, and discipline should appear on the front of the application fee payment (check or money order), even if it is hand-written, if the firm pays for the individual.
- EPA forwards all correspondence to individuals who have signed the application attesting to their willingness to comply with the work practice standards found at 40 CFR §745.227.
- EPA forwards copies of the individual's approval letter and certificate to the firm upon written request of the applicant; however, the approval letter, identification badge, and certificate remain the property of the individual.

Fees

The fee for applying for certification, re-certification, and other requests is listed in the following schedule. It is important that you:

- Calculate fee based on the number of EPA-run jurisdiction(s) in which you plan to operate (the number of disciplines you select does not affect your fee).
- Write your total fee amount in section A of the application, even if you attach additional sheets of paper listing additional EPA-run jurisdictions.
- Make the check or money order payable to **U.S. Environmental Protection Agency**. Other methods of payment include wire transfer, electronic funds transfer, and, for government payers only, on-line payment agency collection (OPAC).
