Documentation in Support of Disability Retirement Application

This package contains the forms applicants for disability retirement from civilian Federal service need to complete. You should have received with this package a pamphlet entitled: *Information About Disability Retirement*. If you did not receive the information pamphlet, ask your agency to give you one. This package contains the following forms: Standard Form 3112A, *Applicant's Statement of Disability*, Standard Form 3112B, *Supervisor's Statement*, Standard Form 3112C, *Physician's Statement*, Standard Form 3112D, *Agency Certification of Reassignment and Accommodation Efforts*, and Standard Form 3112E, *Disability Retirement Application Checklist*.

You should keep one copy each of the completed forms for your own records. Your agency will send the originals of each form to the Office of Personnel Management (OPM). You must obtain the evidence that will enable OPM to decide that your disease or injury is so severe that you can no longer perform useful or efficient service, or that you have a medical condition that requires restrictions from critical duties of your job.

You can help speed the processing of your application. Make sure all the information requested on the forms is provided. Put a copy of your position description with the forms you give your doctor(s). See that the information you submit contains diagnosis, prognosis, and a treatment plan dated no more than 60 days before the date your application is filed. Although we accept all medical evidence about your disease or injury, current evidence provides the best support of your application.

If you are applying for disability retirement under the Federal Employees Retirement Service (FERS) or the Civil Service Retirement System (CSRS) with offset service, you must document that you have applied for Social Security disability benefits. The application receipt or award notice that you receive when you apply for Social Security benefits should be attached to your application. Your application cannot be completely processed without this information. *Important:* If Social Security awards you benefits, your payments from OPM must be reduced starting on the date the Social Security award started. Since this may result in an overpayment of OPM benefits, you should *not* spend any of the money from Social Security until your annuity from OPM has been reduced and OPM has billed you for any overpayment. OPM is required by law to collect any annuity overpayment. If any or all of the overpayment cannot be repaid, OPM may have to start debt collection procedures.

If you are not separated from Federal Service, return all the completed forms and associated documents to your agency's personnel office. Your personnel office will assemble your disability retirement application package and send it to OPM. Please follow up with your agency to be sure they send your application to OPM.

If you have been separated from Federal service for more than 31 days, you need to give each form to the appropriate individual and ask that the completed forms be *returned to you* so you can assemble your disability retirement application package yourself and send it to OPM at:

U.S. Office of Personnel Management Retirement Operations Center P.O. Box 45 Boyers, PA 16017-0045

OPM *must receive* your application not more than *one year* after the date you separated from your position. If you are unable to get all the information requested, do *not* delay submitting your Standard Form 3112A to OPM. See the accompanying pamphlet for an explanation of exceptions.

Form Approved: OMB No. 3206-0228

Instructions

The Coordinator for Employment of the Handicapped should review the Applicant's Statement, the Supervisor's Statement, the Physician's Statement, and any other relevant documentation on file to determine if reasonable accommodation will enable the employee to perform fully successful service in his or her current position or whether a vacant position is available in the agency, at the same grade or pay level in the same commuting area, for which the employee is qualified for reassignment. Take special note of the Supervisor's Statement and resolve any discrepancies between the information on that form and this form. Telephone numbers for the applicant, the supervisor, and the physician may be found on their respective statements, should it be necessary to contact them for further information.

If the employee is eligible to retire voluntarily, the employee should be advised of that fact. In general there is no difference in the payment to a disabled annuitant and an optionally retired annuitant, nor are there Federal tax advantages for a disability retiree.

All items must be completed. In items 4, 5, and 6, if you check a box that requires additional explanation, please provide the explanation and/or attachment. This will enable us to process the application without delay.

Accommodation (item 4) - Guidance for determining reasonable accommodations may be found in 29 CFR 1614.203(c).

The documentation supporting your response to item 4 must include an assessment of the functional and environmental factors related to the employee's inability to perform at the fully successful level, unless there are no medical restrictions.

Reassignment (item 5) - Guidance related to reassignment of an applicant for disability retirement is published in OPM's "CSRS and FERS Handbook for Personnel and Payroll Offices".

After completing and certifying this form, please attach the appropriate documentation and return the original to the employee or to your personnel office according to instructions and practices in your agency. In either case, a copy must be given to the employee. Please do not send the form directly to OPM unless OPM specifically requested you to do so in this case.

Your agency's obligation to continue to try to accommodate or reassign the employee does not cease with the filing of this certification. Your efforts should continue. If the accommodation or reassignment situation changes after the original filing of the certification, you must notify OPM of the changes.

OPM may contact you for additional information or clarification.
