

System: Web-Based Supply Chain Management (WBSCM)

Form: Recall Survey Response Form

Screenshot as of: 8/4/09

Screenshot #1: WBSCM Recall Survey Response Form

The screenshot shows the 'Recall Survey Response Form' in the WBSCM system. The interface includes a top navigation bar with the USDA logo and 'Web-Based Supply Chain Management' text. A secondary navigation bar contains links for 'Home', 'Operations', 'Finance', 'Admin', and 'Help'. Below this, a breadcrumb trail shows 'Order Processing | Complaint Administration | Recall Administration | Warehouse Management'. The main content area is titled 'Access Recall Survey Response Form' and contains two sections: 'Response Header' and 'Product Inventory / Disposition'. The 'Response Header' section includes fields for Case (512), Sold To Organization (4000023), Product (100193), Vendor (1000382), Response Status (Open), Response Last Updated (08/01/2009), and Response Deadline (07/31/2009). The 'Product Inventory / Disposition' section includes fields for Unit Of Measure, various quantity fields (all set to 0.000), a checkbox for 'Destruction documentation on file', a text area for 'Comment for unaccounted product', a field for 'Number of illnesses or injuries' (set to 0), and a text area for 'Description of illness or injury'. The bottom of the screenshot shows a Windows taskbar with 'Done' and a 'Trusted sites' icon.
