## How Do You Rate This Publication?

Research and  
Development for  
Tomorrow's Forests

*"Our mission is to create  
the science and technology  
needed to sustain and  
enhance southern forest  
ecosystems and the benefits  
they provide."*

### Our Goals:

- Credible science
- Writing style, complexity, and detail appropriate for the intended audience
- Address "real" problems, relevant to present and future needs
- Material is packaged for the needs of the intended audience

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to Department of Agriculture/Forest Service, Clearance Officer, 1621 N. Kent Street, RPE Room 800, Arlington, VA 22209, and to the Office of Management and Budget, Office of Regulatory Affairs, Desk Officer for Forest Service, Washington, DC 20503. Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 0596-0163. The expiration date is 11/30/2007.
