

Are *you*
a parent of
a child age
5-12 or 16-19
living with
hemophilia?

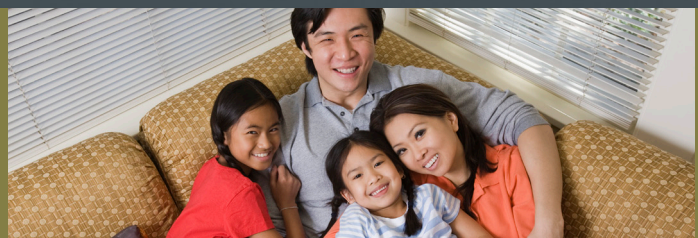

The Centers for Disease Control and Prevention (CDC) and the National Hemophilia Foundation (NHF) are looking for 10 people in the Philadelphia metro area to participate in a group conversation about teenage experiences living with a bleeding disorder. This meeting is scheduled to take place on Wednesday, January 23, 2011 in downtown Philadelphia at 5:30 p.m.

If selected, you will receive up to \$75 cash for your participation.

Call toll free 1-800-999-9999 to see if you qualify to be part of a dynamic group discussion.

NATIONAL HEMOPHILIA FOUNDATION
for all bleeding and clotting disorders

Are **you** a **teenager** age **16-19** *living with* **hemophilia?**

The Centers for Disease Control and Prevention (CDC) and the National Hemophilia Foundation (NHF) are looking for 20 people in the Philadelphia metro area to participate in a group conversation about teenage experiences living with a bleeding disorder. This meeting is scheduled to take place on Wednesday, January 23, 2011 in downtown Philadelphia at 5:30 p.m.

If selected, you will receive up to \$75 cash for your participation.

Call toll free 1-800-999-9999 to see if you qualify to be part of a dynamic group discussion. If you are under age 18, please have your parent available to confirm consent when you call.
