Notice

sender's personal identifiers such as email address and iPhone device ID will not be included on the Web site but will be retained by NLM . Further, the information may be disseminated to other agencies and institutions assisting the effort to locate missing people. Meanwhile, if you hear from the person you are concerned about, please follow instructions at the HEPL Web Site. Additionally you may also wish to use the Haiti Earthquake Person Finder (<http://haiticrisis.appspot.com/>) maintained by Google, or resources at the U.S. Department of State (<http://www.state.gov>).
