Dear Dr. Metcalf:

I have completed review of the revised IRB application for the study entitled "Web Based Training [in Addiction Medicine] for Pain Management Providers – Focus Groups, Usability, Pilot and Summative Studies."

This research proposal has been considered by the Committee and is approved. The research is approved as EXEMPT under 45 CFR Part 46.101(b) (1) and (2). The IRB agrees that there is no need for a formal informed consent process.

This IRB protocol is assigned number 2009-03-001.

If any significant alterations or additions to the proposal are made, please re-submit the IRB protocol for review. Please feel free to contact me with any questions regarding this approval.

Sincerely,

A handwritten signature in cursive script that reads "Susan Wilhelm, PhD".
