

Attachment 3: Screening Instrument

Web Based Training for Pain Management Providers (NIDA)

April 12, 2010

SCREENING INSTRUMENT

OMB # 0925-XXX

Expiration Date xx/xxxx

BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 1 minute per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This survey will be taken one time, at the beginning of the study. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0486). Do not return the completed form to this address.

Screening Survey for Physicians

Clinical Tools developed a new web-based educational and clinical skills training experience funded by the National Institute on Drug Abuse (NIDA). The website is for health care providers on preventing drug misuse and addiction in chronic pain patients. If you qualify to participate, we will invite you to take the training program and complete several assessments afterwards.

Please complete the form below so that we can determine your eligibility for the study. If you meet study eligibility, we will contact you via email with further information on the study.

Eligibility

1. I am a physician who treats patients with pain in any capacity.

Yes

No

(If they answer "No", they are not eligible and will be taken to page #3, "Not Eligible for this Study")

2. I have a specialty certification or the equivalent in:

Neither

Pain Medicine

Addiction Medicine

Both Pain and Addiction Medicine

(If they answer "Pain Medicine", "Addiction Medicine", or "Both Pain and Addiction Medicine", they are not eligible and will be taken to page #3, "Not Eligible for this Study")

3. I am a US resident.

Yes

No

(If they answer “No”, they are not eligible and will be taken to page #3, “Not Eligible for this Study”)

The pain and addiction project is funded by NIDA contract #N43DA82213. This project has been reviewed and approved as exempt by the Clinical Tools, Inc. Institutional Review Board.
