

Revisions Crosswalk for State General Info, and Data Entry Form

Issue #	Page #	Changes to Form	Reason for change
1.	14	Deleted worksheet containing disclosure	It is now located on the State General Info tab
2.	15	Added Disclosure statement	Didn't want it on a separate tab
3.	15	Added Validate, Validate&Finalize, and Format & Print Preview Buttons	Needed them to allow state data entry person to validate their document
4.	15	Separated First name and last name on form	Thought it would be more clear to the person, plus easy to collect in database
5.	20	Added Validate, Validate&Finalize, and Format & Print Preview Buttons	Needed them to allow state data entry person to validate their document
6.	20	Changed cell wording for Name, Phone Number, Email under heading Issuer Data Submission contact	508 reasons
7.	20	Changed cell wording for Fee-for-service, HMO, PPO, EPO, POS, Other under No. of Products offered	508 reasons
