Revisions Crosswalk for Issuer General Info, and Data Entry Forms

Issue #	Page #	Changes to Form	Reason for change
1.	16	Deleted worksheet containing disclosure	It is now located on the State General Info tab
2.	17	Added Validate, Validate&Finalize, and Format & Print Preview Buttons	Needed them to allow state data entry person to validate their document
3.	17	Wording was slightly changed in question 3 sub questions 2 and 4.	To help users to better identify where we were referring to
4.	17 and 18	Separated First name and last name on form	Thought it would be more clear to the person, plus easy to collect in database
5.	19	Added Disclosure statement	Didn't want it on a separate tab
6.	20	Added Validate, Validate&Finalize, and Format & Print Preview Buttons	Needed them to allow state data entry person to validate their document
