ABOUT THE CHILD'S MEDICAL AND OTHER RECORDS

If you have any of the following records for the child at home, send them to our office with your completed forms or bring them with you to the interview. If you need the records back, tell us and we will photocopy them and return them to you.

- The child's medical records
- Copies of the child's prescriptions or medicine containers
- The child's Individualized Education Program
- The child's Individualized Family Service Plan

YOU DO NOT NEED TO ASK DOCTORS OR HOSPITALS FOR ANY MEDICAL RECORDS THAT YOU DO NOT ALREADY HAVE. With your permission, we will do that for you. The information we ask for on this form tells us from whom to request medical and other records. If you cannot remember the names and addresses of any of the doctors or hospitals, or the dates of treatment, perhaps you can get this information from the telephone book, or from medical bills, prescriptions and medicine containers.

The Privacy and Paperwork Reduction Acts

The Social Security Administration is authorized to collect the information on this form under sections 205(a), 223(d) and 1631(e)(1) of the Social Security Act. The information on this form is needed by Social Security to make a decision on the named claimant's claim. While giving us the information on this form is voluntary, failure to provide all or part of the requested information could prevent an accurate or timely decision on the named claimant's claim. Although the information you furnish is almost never used for any purpose other than making a determination about the claimant's disability, such information may be disclosed by the Social Security Administration as follows: (1) to enable a third party or agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal Laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and the Department of Veterans Affairs); and (3) to facilitate statistical research and such activities necessary to assure the integrity and improvement of the Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security Office.

PAPERWORK REDUCTION ACT: This information collection meets the requirements of 44 U.S.C. § 3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 60 minutes to read the instructions, gather the facts, and answer the questions. **SEND OR BRING THE COMPLETED FORM TO YOUR LOCAL SOCIAL SECURITY OFFICE. The office is listed under U. S. Government agencies in your telephone directory or you may call Social Security at 1-800-772-1213 (TTY 1-800-325-0778).** *You may send comments on our time estimate above to: SSA, 6401 Security Blvd., Baltimore, MD 21235-6401.
