Extension of the Designation of Honduras for Temporary Protected Status and Automatic Extension of Employment Authorization Documentation for Honduran TPS Beneficiaries

AGENCY: U.S. Citizenship and Immigration Services, DHS.

ACTION: Notice.

SUMMARY: This Notice announces that the Secretary of Homeland Security (Secretary) has extended the designation of Honduras for temporary protected status (TPS) for 18 months from its current expiration date of July 5, 2010, through January 5, 2012. This Notice also sets forth procedures necessary for nationals of Honduras (or aliens having no nationality who last habitually resided in Honduras) with TPS to re-register and to apply for an extension of their employment authorization documents (EADs) with U.S. Citizenship and Immigration Services (USCIS). Re-registration is limited to persons who previously registered for TPS under the designation of Honduras and whose applications have been granted or remain pending. Certain nationals of Honduras (or aliens having no nationality who last habitually resided in Honduras) who have not previously applied for TPS may be eligible to apply under the late initial registration provisions.

New EADs with a January 5, 2012, expiration date will be issued to eligible TPS beneficiaries who timely re-register and apply for EADs. Given the timeframes involved with processing TPS re-registration applications, the Department of Homeland Security recognizes the possibility that all re-registrants may not receive new EADs until after their current EADs expire on July 5, 2010. Accordingly, this Notice automatically extends the validity of EADs issued under the TPS designation of Honduras for 6 months, through

January 5, 2011, and explains how TPS beneficiaries and their employers may determine which EADs are automatically extended.

DATES: The extension of the TPS designation of Honduras is effective July 6, 2010, and will remain in effect through January 5, 2012. The 60-day re-registration period begins May 5, 2010, and will remain in effect until July 6, 2010.
