

Student Survey

This survey is being given as part of a study to see how well the *Lessons in Character Program* is working. This survey asks about you, the student, and what you think about yourself, your school, your teachers, and your classmates. This school year and next school year you will be asked to complete similar surveys such as this one. Each one should take about 35 minutes to complete. No one at this school will know how you answered the survey. Your answers are private.

Please do NOT write your name on the survey. You do not have to answer all of the survey questions. Please write your answers on this survey paper. Mark only one answer unless told to “*Mark All That Apply.*”

Please read each question and put an X in the box next to your answer.
