## **2008 National Survey on Reported and Unreported Motor Vehicle Crashes**

Regarding the “2008 National Survey on Reported and Unreported Motor Vehicle Crashes”, NHTSA wanted to add a question. NHTSA passed the question to the survey through OMB representative (Chandana Achanta); at OMB’s request NHTSA is submitting the updated survey with the additional question

The question, “How did the accident get reported to the police?” occurs twice, on page 10, Q8b. (1), and on page 20, Q24 (a1).
