# **TART CHERRY COOPERATIVE BALLOT**

TO TART CHERRY COOPERATIVE ASSOCIATIONS OF PRODUCERS:

A public hearing was held in Rochester, New York, on \_\_\_\_\_, 20\_\_\_\_, in Grand Rapids, Michigan, on \_\_\_\_\_, 20\_\_\_\_, in Kennewick, Washington on \_\_\_\_\_ 20\_\_\_\_, and Salt Lake City, Utah, on \_\_\_\_\_, 20\_\_\_\_, to consider proposed amendments to marketing agreement and order No. 930 (order), regulating the handling of tart cherries grown in the States of Michigan, New York, Pennsylvania, Oregon, Utah, Washington, and Wisconsin. The Department of Agriculture (USDA) has announced his decision to provide tart cherry producers with an opportunity to vote in a referendum to determine if they favor the proposed amendments. The proposed amendments will not be made effective unless favored by at least two-thirds of the producers voting in this referendum or by producers representing at least two-thirds of the volume of tart cherries voted in the referendum.

The proposed amendments include making districts subject to volume regulations that produced more than 6 million pounds per year, rather than only those districts producing more than 15 million pounds per year; making shipments of cherry juice and juice concentrate to certain markets eligible to receive diversion credit; changing provisions related to alternate Board members serving for absent members at Board meetings; making all cherry shipments subject to assessments; and eliminating the requirement that different assessment rates be established for different cherry products. Other amendments proposed by the Board pertain to allocation of Board membership; clarification of order provisions relating to exemption and diversion; release of cherries in the inventory reserve; and the use of crop estimates other than the official USDA crop estimate in developing the Board's marketing policy.

A Cooperative Referendum Ballot is attached. Also attached are:

- (1) Voting Instructions and Rules Governing the Eligibility of Cooperative Association of Producers to Vote;
