

## Post-Session Questionnaire: System Usability Scale (SUS)

The statements to be used in the SUS are:

1. I think that I would like to use this system frequently.

Strongly Disagree  
1                      2                      3                      4                      5                      Strongly Agree

2. I found the system unnecessarily complex.

Strongly Disagree  
1                      2                      3                      4                      5                      Strongly Agree

3. I thought the system was easy to use.

Strongly Disagree  
1                      2                      3                      4                      5                      Strongly Agree

4. I think that I would need the support of a technical person to be able to use this system.

Strongly Disagree  
1                      2                      3                      4                      5                      Strongly Agree

5. I found the various functions in this system were well integrated.

Strongly Disagree  
1                      2                      3                      4                      5                      Strongly Agree

6. I thought there was too much inconsistency in this system.

Strongly Disagree  
1                      2                      3                      4                      5                      Strongly Agree

7. I would imagine that most people would learn to use this system very quickly.

Strongly Disagree				Strongly Agree
1	2	3	4	5

8. I found the system very cumbersome to use.

Strongly Disagree				Strongly Agree
1	2	3	4	5

9. I felt very confident using the system.

Strongly Disagree				Strongly Agree
1	2	3	4	5

10. I needed to learn a lot of things before I could get going with this system.

Strongly Disagree				Strongly Agree
1	2	3	4	5
