INSTRUCTIONS FOR COMPLETING SELECTED ITEMS

QUESTION 1 – Primary Area of Business

To properly classify this firm's primary area of business, use the following definitions in completing ①.

Retail Trade

This category includes establishments engaged in retailing merchandise, generally without transformation, and rendering services incidental to the sale of merchandise. The retailing process is the final step in the distribution of merchandise; retailers are therefore organized to sell merchandise in small quantities to the general public.

Examples include:

- New and used car dealers
- Household appliance stores
- Computer/software stores
- Beer/wine/liquor stores
- Supermarkets and other grocery (except convenience) stores
- Gasoline stations with convenience stores
- Electronic shopping and mail-order houses
- Building materials stores
- Gift/novelty/souvenir stores
- Sporting goods stores
- Women's clothing stores

Wholesale Distributor

This category includes establishments that are primarily engaged in buying and selling products on their own account (take title to goods), generally without transformation, and rendering services incidental to the sale of merchandise. Wholesale distributors are organized to sell (a) goods for resale (i.e., goods sold to other wholesalers or retailers) and (b) capital or durable nonconsumer goods.

Examples include:

- Cash-and-carry wholesalers
- Exporters or importers
- Farm product assemblers
- Industrial distributors
- Petroleum bulk plants and terminals not operated by petroleum refining companies
- Retailer cooperative warehouses
- Terminal and country grain elevators
- Voluntary group wholesalers
- Wholesaler cooperative associations
- Wholesale merchants, jobbers, or distributors

Manufacturers' Sales Branch or Sales Office

This category includes establishments that primarily sell goods manufactured, refined, or mined in the United States by this firm, this firm's parent company, or subsidiaries.

A manufacturers' sales branch normally carries stock or merchandise for delivery to customers while a sales office does not.

Note: A branch store that sells to household consumers and individual users is classified in retail trade. If this applies, indicate this in ⑫.

Agent, Broker, or Electronic Market

This category includes establishments that primarily sell or buy goods for others (do not take title to goods).

Examples include:

- Auction companies
- Commission merchants
- Import or export agents
- Manufacturers' agents
- Merchandise brokers
- Purchasing agents
- Selling agents
- Electronic Market (business to business)

Transportation and Warehousing Services

This category includes industries providing transportation of passengers and cargo, warehousing and storage for goods, scenic and sightseeing transportation, and support activities related to modes of transportation.

Examples include:

- Air transportation
- Rail transportation
- Water transportation
- Truck transportation
- Transit and ground passenger transportation
- Pipeline transportation
- Scenic and sightseeing transportation
- Support activities for transportation
- Postal services
- Couriers and messengers
- Warehousing and storage

Real Estate and Rental and Leasing Services

This category includes establishments primarily engaged in renting, leasing, or otherwise allowing the use of tangible or intangible assets, and establishments providing related services.

Examples include:

- Real estate services
- Rental and leasing services
- Lessors of nonfinancial intangible assets (except copyrighted works)

Professional, Scientific, and Technical Services

This category includes establishments that specialize in performing professional, scientific, and technical activities for others.

Examples include:

- Legal services
- Accounting, tax preparation, bookkeeping, and payroll services
- Architectural, engineering, and related services
- Specialized design services
- Computer system design and related services
- Management, scientific, and technical consulting services
- Scientific research and development services

INSTRUCTIONS FOR COMPLETING SELECTED ITEMS – Continued

Arts, Entertainment, and Recreation Services

This category includes a wide range of establishments that operate facilities or provide services to meet varied cultural, entertainment, and recreational interests of their patrons. This category includes (1) establishments that are involved in producing, promoting, or participating in live performances, events, or exhibits intended for public viewing; (2) establishments that preserve and exhibit objects and sites of historical, cultural, or educational interest; and (3) establishments that operate facilities or provide services that enable patrons to participate in recreational activities or pursue amusement, hobby, and leisure time interests.

Examples include:

- Performing arts
- Spectator sports, and related industries
- Museums, historical sites, and similar institutions
- Amusement, gambling, and recreation industries

Administrative and Support and Waste Management and Remediation Services

This category includes establishments performing routine support activities for the day-to-day operations of other organizations. Activities performed include: hiring and placing of personnel; document preparation and similar clerical services; solicitation; and collection.

Examples include:

- Office administrative services
- Facilities support services
- Employee services
- Business support services
- Travel arrangement and reservation services
- Investigation and security services
- Services to buildings and dwellings
- Other support services
- Waste collection
- Waste treatment and disposal
- Remediation and other waste management services

Accommodation and Food Services

This category includes establishments providing customers with lodging and/or preparing meals, snacks, and beverages for immediate consumption. This category includes both accommodation and food services establishments because the two activities are often combined at the same establishment.

Examples include:

- Full-service restaurants
- Limited-service restaurants
- Drinking places (alcoholic beverages)
- Hotels and motels
- Snack and nonalcoholic beverage bars
- Food service contractors

Finance and Insurance Services

This category includes establishments primarily engaged in financial transactions (transactions involving the creation, liquidation, or change in ownership of financial assets) and/or in facilitating financial transactions.

Examples include:

- Monetary authorities – Central Bank
- Credit intermediation and related activities
- Securities, commodity contracts, and other financial investments
- Insurance carriers and related activities
- Funds, trusts, and other financial vehicles

Information and Data Processing Services

This category includes establishments engaged in the following processes: (1) producing and distributing information and cultural products; (2) providing the means to transmit or distribute these products as well as data or communications; and (3) processing data.

Examples include:

- Publishing industries including software
- Motion picture and sound recording industries
- Broadcasting and telecommunications
- Information services and data processing services

Health Care and Social Assistance Services

This category includes establishments providing health care and social assistance for individuals. The services provided by establishments in this category are delivered by trained professionals. All industries in this category share this commonality of process, namely, labor inputs of health practitioners or social workers with the requisite expertise.

Examples include:

- Ambulatory health care services
- Hospitals
- Nursing and residential care facilities
- Social assistance

Utilities

This category includes establishments engaged in the provision of the following utility services: electric power, natural gas, steam supply, water supply, and sewage removal.

Examples include:

- Electric power generation, transmission, and distribution
- Natural gas distribution
- Steam supply provision and/or distribution
- Sewer systems and sewer treatment facilities

Other Services

This category includes establishments in service industries not specified in the previous categories.

Examples include:

- Educational services
- Repair and maintenance
- Personal and laundry services
- Religious, grant making, civic, professional, and similar organizations
