

This is an example of a screenshot of the 340B public database and the information that covered entities would need to certify during the electronic recertification process.

The screenshot shows the top navigation bar of the HRSA Office of Pharmacy Affairs website. It features the HRSA logo on the left, the text "U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES" and "Office of Pharmacy Affairs" in the center, and a navigation menu with the following items: Home, Covered Entity (highlighted), Contract Pharmacy, Manufacturer, Reports, and Registration. There are also small icons for accessibility and a "Need Help" button with a question mark icon.

Your feedback is very important to us. Please [click here](#) to tell us what you think!
