Collection and Use of Personal Information

Section 205(a), of the Social Security Act, as amended, 5 U.S.C. 552a(e)(10), and the Government Paperwork Elimination Act, authorize us to collect this information. We will use the information you provide to determine eligibility to access Government Services Online (GSO).

The information you furnish on this form is voluntary. However, failure to provide the requested information may prevent us from granting access to GSO.

We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Additional information regarding this form, routine uses of information, and our programs and systems, is available on-line at www.socialsecurity.gov or at your local Social Security office.
